Dr. Hall Names New Committee For Teenagers

Voicing a plea that Orindans "stop choosing sides" and that they "work together on problems as a team," Dr. Ralph C. Hall, new chairman, started the Orinda Association's Civic Affairs Committee off to another year Monday night at Orinda School by appointing a number of key committees.

Described by him as of major importance and as "double-barreled" is a new committee on teenage problems, with the objective of "supplementing the excellent recreation program of the Orinda School District."

This committee consists of two groups — one of teenagers, to make specific suggestions, and the other of adults, to attempt to carry out the teenagers' suggestions.

NAMED to the teenage unit of this committee are Marilyn Engelhard, a senior at Acalanes High School, chairman; Steve De Maria, an Acalanes junior, co-chairman; Bill Houston, president of the Miramonte High School student body; Bonnie Miner, secretary of the Miramonte student body, and two other Miramonte students, Debora Smith and Gayle Erickson.

Named to the adult unit of the committee are Stanley Allen, chairman; Frank Isola, Orinda School District physical education and recreation director; James Lewis, Miramonte principal; Dr. George Prlain, Jack Biersdorf, R. B. Moore and Mrs. Jean Hoyt.

Dr. Hall said he intends to add others to both the teenage and adult units of the committee.

"ISOLA and his staff are doing a remarkable job in the expanded recreation program of the Orinda School District, and deserve a lot of credit," Dr. Hall said. "Also, the churches are doing fine work for youths."

"However, there still is the need for a place where young people can congregate—a teenage center. It's important that we get an expression of opinion from the young people."

Dr. Hall said that all those he has appointed to the committee on teenage problems have agreed to serve.

OTHER COMMITTEE appointments by Dr. Hall were: Steering—Emile Pierre, chairman; Mrs. Charles Erickson, Robeson Smith.

Revision of policies and procedures—Edgar Stewart, chairman. Public relations—Ted Taylor, chairman.

Commuter parking—Horace Breed, chairman. Tax study—Joseph Longacre, chairman; Bruce Howard, Clyde McDonald.

Civil Defense—Joseph Nicolet, chairman. MRS. ROBERT SPIEGL was named by Dr. Hall as parliamentary for the Civic Affairs Committee.

She was the first secretary of the Civic Affairs group, in 1948, and continued in this capacity for a time; also, she was secretary of the Orinda Association board in 1950.

The Civic Affairs head said appointments were still to be made for committees on police protection, planning, roads, and traffic safety.

ADDITIONAL MEMBERS will be named to the policies and procedures, public relations, commuter parking and civil defense committees, he stated.

Dr. Hall introduced Gene Estes, new president of the Orinda Association.

School Bonds, Tax Limit Get Approval of Voters

Orinda voters Tuesday passed by slim margins all three phases of a school district election which will raise their school tax limit to \$2.75 and facilitate a school expansion program.

Both Proposition 1, which asked for \$950,000 in bonds, and Proposition 2, authorizing district trustees to borrow up to \$1,200,000 from the State School Building Fund, required "yes" votes of two-thirds of the voters.

BOTH GOT the needed votes, but just barely. The bond proposal passed with just 14 votes to spare. It tallied 908 votes for and 432 opposed.

Proposition 2 had an even closer squeeze. With 893 in favor and 436 against, the issue passed with a leeway of just seven votes.

Requiring just a simple majority, the tax ceiling question passed with ease, 764 to 569. Paradoxically, opposition to the tax boost was stronger than to the other phases of the election.

A TOTAL of 1344 eligible residents cast ballots, which was considered "an excellent showing" by District Superintendent Joseph L. Sheaff.

"We're very happy the election passed, but it sure was close," the superintendent remarked with a smile yesterday.

He said that passage of the bond issue will allow the district to go ahead with its plans for building new schools and expanding and improving the five elementary schools presently in the district.

IN A STATEMENT prior to the election, school trustees stated that the bonds would allow:

(1) The purchasing of school lots. (2) The building or purchasing of school buildings. (3) The making of alterations or additions to the school buildings.

(4) THE repairing of any school building damaged or destroyed. (5) The supplying of school buildings with furniture or necessary equipment of a permanent nature.

(6) The permanent improvement of school grounds. (7) Provision of adequate sewers and drains to dispose of the sewage from each school.

THE DISTRICT is wasting no time utilizing its new funds. Bids for the building of six new classrooms are going out today and will be called for February 14.

Plans for new classrooms and a multiuse room at the Sleepy Hollow School are almost completed, according to Sheaff, and will soon be submitted to the State Board of Allocations for approval and funds.

It was passage of Proposition 2 that will allow the Board of Allocations to allocate funds for the new additions to the district, he stated.

"IF THE ELECTION had failed, we would have had to set aside our plans," the superintendent said.

Sheaff added the board of trustees "is elated over the confidence the people have shown in the board by approving the \$2.75 tax limit."

He emphasized that it may not be necessary to call for such a tax rate, "but the board is glad to have it in case they need it."

"THE STANDARD of education here is good," Sheaff said, "and we feel that the people have shown they want this standard continued. We're continually trying to improve the district, and the people have indicated they want the improvement continued."

"We will certainly endeavor to carry out this confidence," he concluded.

Battle Plans Set To Fight Two County Transit

A meeting of city councils, chambers of commerce, representatives of unincorporated areas and attorneys was held last night in an effort to lay plans to get Contra Costa County out of Alameda-Contra Costa Transit District.

At the Monday night meeting of the Pleasant Hill Civic Council, Frank Harter, chairman of the transportation committee told delegates that many residents in the two-county district with the proposed nine-county rapid transit system.

HARTER was directed by the council to attend the meeting and report back to the council the action, if any, taken by the committee.

The Pleasant Hill Chamber of Commerce appointed Dave Rockwell, chamber vice president, to represent the business interest of the community.

Harter told members of the civic council that Harry Morrison of the Taxpayers' Association had offered his organization's resources to aid in the study of whether Contra Costa may be legally excluded from the two-county district.

Another segment of the citizens committee is checking to see if the formation of the district and counting of the ballot was ever legal.

Harter stated that if enough member organizations of the Pleasant Hill area and other communities of the central county show an interest in attending a mass meeting, the board of directors of the planning committee for the proposed nine-county rapid transit district would provide speakers and information for central county residents.

SUCH A MEETING would be held in one of the area's high schools, said Harter.

Ray Taylor, chairman of the Contra Costa County Board of Supervisors, who was present at the Civic Council meeting said: "We may have a pretty good chance of getting out of the district."

This was the first statement by any county official since Francis Collins, district attorney, said that taxpayers' money could not be used to assist factions of the county seeking exclusion from a district which had been formed by the vote of the people.

Larry Pinard, secretary manager of the Walnut Creek Chamber of Commerce, who was in attendance at the Civic Council meeting, offered the assistance of the City of Walnut Creek in the fight against the two-county district.

PINARD SOUGHT the defeat of the proposed district prior to the November election. In addition to the many city councils and chambers of commerce, union officials of the CIO-AFL were represented at the meeting. On the agenda was a discussion of the possibility of incorporation to give the organization legal status in future dealings of the board of the two-county district.

Harter pointed out that the opponents of the two-county district believe that the district will not be of benefit to Contra Costa County, that its sole purpose is to take over the Key System, which does not serve Contra Costa; that Contra Costa does not have sufficient representation on the board of directors and that the taxing powers of the district are not clearly enough defined.

Evacuation Plan Soon to Reach Orinda Parents

A plan for the evacuation of Orinda school children in the event of an air attack or other disasters is currently being drawn up by Superintendent Joseph L. Sheaff, school principals and Civil Defense authorities.

Having received parental authority to evacuate a large majority of pupils, the administrators will soon inform parents of specific routes to be followed.

Each school will follow the shortest, quickest route possible from its site to a reception area in the eastern part of the county.

Included in the overall plan will be specific "alert" signals, means of transportation, and disposition of pupils whose parents have indicated they wish to have them walk home.

Each School Will Drill On Grounds

Actual evacuation drills, confined to the grounds, will begin in Las Lomas, Acalanes and Miramonte High Schools sometime in the spring, Art Dambacher, Civil Defense coordinator for the Acalanes School District, told The Sun today.

He said that the school principals will before that time work out the exact plans by which their schools will be emptied, and students will be assembled.

Varying factors are which pupils will be evacuated under the school plan and which pupils will be allowed to go home on foot by parent preference, where the loading zones for evacuees will be, and the motor routes from each school for Byron and Brentwood.

IN A REGULAR administration meeting Wednesday, the possibilities were talked over by Dambacher, School District Superintendent Neil Parsons, Business Manager Ross Reagan, Curriculum Coordinator Miss Lili Lahti, and the three principals — Stanley Walgren of Acalanes High, James Lewis of Miramonte, and Lewis Russell of Las Lomas.

At a Civil Defense meeting on January 11, it was agreed that letters will return postcards would be sent to about 2500 parents in the district.

The replies will designate whether their child or children will become part of the CD evacuation system or be set free to walk home in a disaster, and what volunteer transportation the family could provide for the evacuation.

THE EVACUATION routes are according to an overall Civil Defense plan for the entire Bay Area. They are aimed at Byron and Brentwood, the "first-line" reception centers in this area.

Earlier questionnaires sent out indicated that most of the parents in the district were "in favor" of organized evacuation for their youngsters.

The replies this time will become part of a permanent file for use when the drill preparations begin.

The drills will be confined to the school grounds, and will be conducted individually by each high school, said Dambacher.

STUDENTS WILL move out of the buildings to either a zone for "walking" students or a "loading zone" for evacuating students.

In the case of Las Lomas, the actual loading zone may be across Contra Costa Highway from the school, but the drills will probably not take them off the school grounds.

The principals will use special classes to orient the students in future weeks.

"We are assuming that the parents who indicate that they don't want their boys and girls evacuated from the area by CD authorities have some plan of their own regarding their youngsters," Dambacher said.

In Bay Area civil defense planning, west of Contra Costa Highway is considered a critical area, where an atomic bomb falls on Treasure Island.

Attorney Asks Postponement of Quarry Trial

Superior Court has postponed the hearing on a writ to block establishment of the Redwood Canyon rock quarry, scheduled for February 1, on the request of Orinda Attorney Mrs. Gladys Schwatka.

Mrs. Schwatka, representing three local residents petitioning against the quarry, told The Sun yesterday that she asked the hearing be dropped from the February 1 calendar because A. J. McCosker, the quarry operator, was not served a court summons in time.

"McCosker has been out of the county," she explained, "so we were not able to serve him the papers before the required 30-day minimum."

Another reason she asked the hearing be postponed, Mrs. Schwatka said, is that she would like to take advantage of the new law requiring pre-trial conferences between opposing attorneys and the judge.

Mandamus proceedings were instituted in Superior Court by Mrs. Schwatka on December 24 on behalf of C. E. Steidtmann, Louis Lucius and Philomena V. Drake.

FATHERS' MARCH ON POLIO will be conducted in Orinda, Moraga and Canyon next Thursday night by some 300 dads who will pretend to be "mothers" just for that evening, in the annual house-to-house canvass for anti-polio funds. They'll call at homes where porchlights are lit. The event will climax the month-long March of Dimes campaign. Ready for the Fathers' March are, left to right, Diane Edelin, Boyd Edelin Sr. (who, with Joseph Pardini, is co-chairman of the Fathers' March), Boyd Edelin Jr., Al Baitz, Jean Mulks and Walt Mulks.

Orinda Dads Will March On Polio Thursday Night

Some 300 fathers of Orinda, Moraga and Canyon will participate in the Father's March on Polio here at 7 o'clock next Thursday night, in their annual version of the "Mother's March."

Wearing lapel tags stating "For Tonight I Am a Mother," the bearded "mothers" will make the customary climatic March of Dimes canvass at homes where porchlights are on.

Boyd Edelin and Joseph Pardini, a recent polio victim, are co-chairmen of the Father's March.

CENTRAL DEPOT where the dads will report with their money, after every home in the area has been called on, will be the Orinda School auditorium.

Merle Brown, manager of the Orinda branch of the American Trust Company, will process the polio fund contribution, and guards will be supplied by Constable Clinton Jones and two deputies.

Hot coffee and home-made cakes will be served to the marching fathers by the Santa Maria Catholic Women's Club. Mrs. Lillian Bastian and six able assistants will serve.

Mr. and Mrs. Dan Lucas, area chairmen, personally invite all area residents and families of marching fathers to the Orinda School to watch the dimes and dollars roll in.

MRS. LUCAS states: "Last year we watched \$10,414.14 roll in, but let us not forget those for whom the vaccine came too late. Now that the vaccine has been proved effective, it is up to us to see that every member of every family makes use of this protection against polio."

New Slate of Officers Gains Rotary Approval

A new slate of officers for the coming year was given unanimous approval by members of the Orinda Rotary as they met Wednesday at Willow Inn.

Past President Merle Brown, chairman of the nominating committee, offered Robeson Smith as president; Harold Bryant as secretary and Joseph Duffel as treasurer.

The nominated board of directors comprised Maynard Buehler, Joseph Longacre, Dr. Paul Slatery, Rollin Moore and John Ogden.

With no further nominations coming from the floor, the unopposed candidates will take office at the first Rotary meeting in July.

A new Rotarian, Rev. Carl Thomas, pastor of the Lafayette-Orinda Presbyterian Church, introduced himself to the membership by giving a short resume of his life.

Mr. Thomas revealed that he was born in Oklahoma and is a graduate of the University of Michigan. Before taking the local church post he was assistant pastor at the Congregational Church of Berkeley.

He is married and has two children.

Incorporation to Light Meet of Moraga Meadows

A resume of the study of incorporation for Orinda will be the highlight of the general membership meeting of Moraga Meadows Improvement Association at 8:15 p.m. Tuesday in the auditorium of Glorietta School.

Paul Pollaczek, who was a director of the Orinda Association for two years, is to be guest speaker. He has served as chairman of the Orinda Association's Incorporation Study Committee.

Pollaczek will summarize the findings of his committee and bring them up to date in the light of recent developments, particularly in regard to finances.

His presentation will be followed by a question period from the audience.

The meeting will begin with the serving of coffee and refreshments at 7:45 p.m.

Building Bars Public From HS Facilities

Because of construction schedules, the Acalanes High School gym and swimming pool will not be available for community use this summer.

The Don gym and pool will be closed while locker and shower facilities are being added to the present gymnasium. Facilities will be closed June 15.

The Las Lomas gym will be closed to all users starting March 1. Stage facilities and other additions are scheduled for the Las Lomas gym.

Because of the construction work, the Las Lomas operaetta will be held at Acalanes High School later this year.

The Las Lomas swimming pool will remain in use this summer.

Those Aren't Spring Sounds

There are sounds of things stirring in the air. But unfortunately, these are not in the convention preludes to the first day of spring. Instead, they are the patter of rain on the pavement, the rush of feet heading for shelter, and the cries of anguish of drivers whose cars simply won't start.

In short, things ain't too good on the weather scene. The only variation from the constant chill has been the falling of liquid sunshine. Some 1.60 inches of the stuff fell on Orinda this weather-week, bringing the season's total to 9.18 inches.

Otherwise, it's been just plain cold. Here's the proof:

	High	Low

January 18	57	28
January 19	53	30

Baseball Clinic Will be Sunday

Boys from all over the central county area are expected to show up for the Sun-Sports and Games baseball clinic Sunday afternoon at 12:30 when more than a dozen big league players, managers and scouts will give them "tips of the game."

The big event will be at Las Lomas High School field. It is for high school and eighth-grade boys only, but their younger pals can come along and watch. There will be other clinics for them later on.

Signups are being taken at the Sports and Games, Inc., 1604 Locust Street, Walnut Creek, or any of The Sun offices in Walnut Creek, Lafayette or Pleasant Hill.

MEL ALAMANO of Sports and Games said that he would like to get all the signups by 5:30 p.m. tomorrow, but latecomers can sign up at the gate on Sunday. Every boy to enter the instruction must register, he said.

Much of the excitement in clinic teaching this year is in the attendance of Harry Lavagetto of the Washington Senators, Claude Christie, a former Coast Leaguer, Ed Montague, scout of the New York Giants (signer of Willie Mays), Don Ferrarese, Baltimore pitcher.

Also Augie Galan, former major league player and manager; Bill Raimondi, former manager and scout for the Chicago Cubs; Vince DiMaggio, ex-Pittsburgh Pirates and manager; Bernie deVieros of the Detroit Tigers; Ray Robb, Detroit scout, and Damon Hayes, ex-Coast Leaguers.

### Rec Program Dancers Set to Swing Partners

Orinda Recreation Program dancers will once again form their squares and promenade at a folk and square dance session at 8 o'clock Monday night at the Pine Grove School.

Calling the turns, according to Recreation Director Frank Isola, will be Jack Clark. Badminton, another Recreation Program activity, will lure adult participants to Pine Grove at 8 p.m. Wednesday. Instructor Bob Sherman will be teaching fundamentals to beginners and directing the play of the more experienced netters.

### LEGAL NOTICE

**NOTICE TO CONTRACTORS**

Notice is hereby given that the Board of Trustees of the Orinda Union School District, Contra Costa County, State of California, will receive bids for the furnishing of all labor, materials, transportation and services for the erection and completion of additions to Pine Grove School on school property located on Altarinda Drive near the Orinda Crossroads, Orinda, California.

Each bid shall be in accordance with plans, specifications and other contract documents now on file at the office of Jack Buchter, Architect, A.I.A., and Associates, 61 Moraga Highway, Orinda, California, where they may be examined and copies obtained from the Architect upon deposit of Twenty Five Dollars (\$25.00) per set, which deposit will be refunded upon the return of such copies in good condition within forty eight (48) hours after the bids are opened. Deposit checks shall be made payable to the Orinda Union School District.

Work shall commence within ten (10) days after the award of the contract and notice to proceed and shall be completed within one hundred and eighty (180) calendar days after commencement. Liquidated damages for failure to complete the work within the contract time will be assessed in the amount of One Hundred Dollars (\$100.00) per day.

Each bid shall be made on a proposal form to be obtained at the office of the Architect and shall be accompanied by a certified check or cashiers check in the amount of Ten Thousand Dollars (\$10,000.00) and shall be made payable to the Orinda Union School District, shall be sealed and filed with the Clerk of the Board of Trustees of the Orinda Union School District, Contra Costa County, on or before Thursday, February 14, 1957, and read aloud at 8 P.M. of that day at the Board Room of Pine Grove School, Altarinda Drive, Orinda, California.

The above-mentioned check shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the bidder refuses to enter into said contract after being requested to do so by the Board of Trustees of the Orinda Union School District.

The Board of Trustees reserves the right to reject any and all bids or waive any formality in the bid. No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

The prevailing rates as ascertained and established by the Contra Costa Building and Construction Trades Council, latest edition, shall be paid by the contractor and all subcontractors.

### Part-Time Engineering Course Draws at ECCJC

The 24 courses which make up the engineering curricula for part-time students at East Contra Costa Junior College is attracting one of the heaviest enrollments in the program, according to a survey taken in December.

Out of 2600 fall enrollments, 602 were in engineering, including students taking electricity, electronics, mathematics, physics, psychology, engineering, and other allied courses.

The enrollment represented 443 students of whom, 159 were taking more than one course. They ranged in age from 19 years to 61 with 77 per cent in their twenties and thirties.

They represented a wide range of occupations, including engineers, electricians, electronic technicians, lab technicians, maintenance men, machinists and others.

Sixty per cent of the 443 indicated they had a different vocational objective in mind from their present occupation. There were 112 had had engineering as an objective, specifically, chemical, civil, electrical, general, industrial, and mechanical engineering.

Electronics was the next most popular objective, followed by drafting, supervisor, teaching of office manager, television repairman, contractor, chemist and others.

More than half of the part-time students had completed the twelfth grade in school prior to attending junior college at night. Another 26 per cent had finished the thirteenth grade or beyond. Almost half—47 per cent—indicated they intended studying to earn the degree of Associate in Arts.

The current session of semester-length classes for part-time students will draw to a close this month. A new session will begin the week of February 4 with registration scheduled for the preceding Saturday, February 2.

On January 14, 1951, the Contra Costa census gives the population of the county as 13,515 — Whites, 12,978; Chinese, 468; Indians, 4; Colored, 57; and Japanese, 8.

### Agency Needs Volunteers

Urgently needed are as many volunteers as possible to help an agency in Walnut Creek, according to the Volunteer Bureau.

Duties include stuffing of envelopes at the agency office. This is an opportunity for volunteers with no experience to help their community.

Mors information may be obtained at the Volunteer Bureau of the Walnut Creek Area, at 1640 Main Street.

Volunteers may also phone the Bureau, YE 4-0424, Monday through Friday, from 9 a.m.

### Troop 244

Lafayette Scout Troop 244 will hold its Board of Review Wednesday at 8 p.m. in Glorietta School.

This will be in preparation for their annual Court of Honor next Thursday.

The two boys who will receive their Star Scout Awards are Mike Eaton, son of Mr. and Mrs. Charles Eaton, 74 Hillcrest Road, Orinda, and Eric Fink, son of Mr. and Mrs. George Fink, of 357 Glorietta Boulevard, Orinda, Calif.

These awards will be presented by Scoutmaster William Ellgas and Assistant Scoutmaster Rockwell Smith.

The troop will soon receive a Conservation Award from the American Forest Products Industries, Inc., for its conservation projects during the past year.

In 1956 the troop cleared ground and planted trees at Tilden Park and Camp Hampton, and built check dams at Bar 49 Ranch near Napa and at Camp Hampton.

Here's a new voiceway, a coaxial cable that has recently been put into service between Northern and Southern California. It can carry as many as 600 of your telephone calls at one time. Together with our many other microwave and cable routes, the new coaxial cable gives communities all over the Pacific West another important link with one another. And it helps us keep pace with your ever-growing desire for fast, efficient telephone service.

**Microwave and coaxial cable**, because they carry so many calls at once, not only improve long distance service, they help keep long distance rates low. You can call clear across the country for only \$2.00 plus tax. That's the station-to-station rate for a three-minute call after 6 p.m. weekdays and all day Sunday. Calling long distance is fun. And with rates like this, you can afford to call often.

Mel Nielsen, County Supervisor, presents the County Building permit to Owen Pearce, contractor, while partner Norman Thorsell supervises Merle Brown, President of Orinda Chamber in groundbreaking ceremonies near Orinda Crossroads. This new project, when completed, will make direct distance dialing available to Clifford telephone subscribers.

# Sun Sponsors Fathers'-Kids' Night!

## Hundreds of Kids to See Gaels Gallop Next Friday

Youngsters throughout this area are circling the date of next Friday, February 1, on calendars — and so are parents.

There's good reason for that: Next Friday night is the date of The Sun's Father-and-Children Night at the St. Mary's College gym in Moraga.

With the coupon from The Sun, an adult, by paying only \$1 (instead of the usual \$1.25), can take free as many youngsters up to the age of 16 as desired to the basketball game that night between St. Mary's and Loyola University of Los Angeles.

ABOUT 700 SEATS have been reserved for The Sun's Father-and-Children Night, and they'll be filled on a first-come, first-served basis.

Starting time of the California Basketball Association contest will be 8 p.m. Because of the top quality of the program and the limitation on the number of seats available, it'll be a good idea to get there early.

The coupons will be honored as long as seats are available for the Father-and-Children Night — which, of course, mothers can also enjoy, since any adult can take advantage of the arrangement and thus assure a bunch of kids the thrill of seeing top-flight collegiate basketball.

AT THIS COMMUNITY PROJECT sponsored by The Sun in cooperation with St. Mary's College, the game between St. Mary's famed Galloping Gaels and the Lions of Loyola University will, naturally, be the main attraction.

But there'll be other events, too.

The 50-piece band of St. Mary's College High School, Berkeley, will perform before the 8 p.m. tipoff and during halftime.

An exhibition basketball game will be played during halftime by the eighth grade varsity teams of the Pine Grove School of Orinda and the Parkmead School of Walnut Creek.

ON THE SPORTS PAGE of this issue you'll find a photo of a few of the Gaels — Odell Johnson, Andy Sloan and Jack Witry — going through some practice paces, to the delight of a youthful admirer.

That the hundreds of youthful fans who are expected to next Friday night's event will enjoy real thrills and entertainment is a certainty.

As for the collegiate game, Coach Jim Weaver of St. Mary's and Coach Bill Donovan of Loyola have been seeing to it that their charges are keeping up to par, in practice sessions as well as in games.

So, dads (and mothers, too) — just clip out the coupon from The Sun, fill in the number of youngsters you'll take along, and present the coupon at the box office the night of the event.

### THE SUN'S FATHER-AND-CHILDREN NIGHT FRIDAY, FEBRUARY 1 — 8 P.M. ST. MARY'S COLLEGE GYMNASIUM, MORAGA

This coupon and \$1 will admit one adult and ..... children (up to age 16) to the basketball game between St. Mary's College and Loyola University of Los Angeles at St. Mary's College gym.

(Present this coupon at St. Mary's gym box office the night of February 1. It will be honored as long as seats for The Sun's Father-and-Children Night are available.)

## Maisel Firms At New Offices In Lafayette

Considered one of the most modern office quarters in California for a real estate firm, the new headquarters of F/W Maisel Realtors are at 3471 Mt. Diablo Boulevard, Lafayette.

The Maisel enterprises, of which 32-year-old Fred W. Maisel is president and owner, moved there December 10 from their former location at 2901 Mt. Diablo Boulevard, Walnut Creek, which is scheduled to make way for freeway construction.

Under Maisel is a managerial staff headed by Charles Bailey, vice-president of real estate; Mrs. Sally Pratt, executive vice-president; and A. W. Miller, vice-president of Maisel's two investment firms — Maisel Investment Company and Maisel Security Company.

In addition to F/W Maisel and the two investment firms the enterprises include K/R Maisel.

THE COMPANIES have over 70 salespeople — about 35 in the real estate offices and some 37 in the investment firms. The two investment firms have been in existence about a year.

The real estate operations have developed during the past few years from the former K/R Homes; there are now branch offices in Orinda, the Richmond area and Pittsburg, as well as operating branches throughout the Bay Area.

The new headquarters in Lafayette have about 3300 square feet of floor space, are paneled in a warm, modern style and include conference rooms. The new building was designed by architect Dave Coleman of Orinda.

MAISEL, who lives at 1312 Sunset Loop, Walnut Creek, with his wife, Jeanne, is a graduate of the University of Texas. He is a native of Texas City, Texas.

He had been in the real estate business about four and a half years; he started as a part-time salesman with K/R Homes.

In June, 1955, he became sole owner of K/R Homes, and the name of that firm was changed to Maisel. A few months later the firm of F/W Maisel was formed.

CURRENT PROJECTS include the selling of homes at the Ward Mesa subdivision in Orinda and the planning, by the investment firms, of the plush Diablo Motel for Mt. Diablo Boulevard, Walnut Creek, and of the Nob Hill Motor Hotel in San Francisco, which will be, according to Maisel, a \$5 million hotel next to the Mark Hopkins Hotel, with 14 stories above ground for rooms and four stories below ground for garage space.

"Construction on this motor hotel will start in eight or nine months," Maisel said. "The guest will be able to register when he drives in, without having to go through a lobby. It's the automotive approach to the hotel business."

## Trackless Trolley Is Innovation at Diablo Valley Lines

A new trackless trolley line will make its appearance on the streets of "Pottertown" tonight at the Diablo Valley Lines open house in the clubhouse near Southern Pacific station, Walnut Creek.

George Lewis, vice president of the Walnut Creek Model Railroad Society, got the idea, and built the trackless trolley line at the clubhouse.

The public is invited to see the trains in action next Friday.

In addition to the main line train operations, the interurban line (freight only) will be found back in operation. For the last two months a defective switch had prevented running trains on this colorful section of the railroad.

The active junior members have progressed with their construction of the branch line which climbs through the mountains, and plan to have that section in operation, too.

At a recent business meeting of the club Richard Ricossa of Geary Road was appointed superintendent of junior activities by President E. C. Nevins.

At the same meeting Martin Ericson, oldest member of the club, was welcomed back after two months convalescence following an operation.

New members voted into the club are Darrell Reed and Hank Beisheim of Walnut Creek, Richard Horonoff of Lafayette and George Trochet of Albany.

IN NEW QUARTERS, spacious and modern, at 3471 Mt. Diablo Boulevard, Lafayette, is the firm of F/W Maisel Realtors. President and owner of the firm is Fred W. Maisel (seated, left). With him are Charles Bailey, (standing), vice-president, and Lawrence Canning of his staff. In addition to heading F/W Maisel, the 32-year-old Maisel is president and owner of K/R Maisel, Maisel Investment Company and Maisel Security Company. Maisel's headquarters were moved recently from 2901 Mt. Diablo Boulevard, Walnut Creek. That location must make way for freeway construction.

THESE STUDENTS of music "at work" not only are learning their profession, but are looking forward to attending the first program of the Central Contra Costa Youth Concerts this Sunday afternoon at Las Lomas High. Left to right are instructor Mario Gano, Jim Hazlett, Gail Wiley and Mrs. Charles Price Jr., Youth Concerts committeewoman. The program this Sunday will be the entire San Francisco Symphony!

## Realtors' Top Level Meeting Is Wednesday

The first meeting of the 1957 directors of the Contra Costa Real Estate Board will be held Wednesday at 8:30 p.m. in the new Central Sanitary District building on Springbrook Road, it was announced.

The multiple listing committee has added Thelma Braley to replace Nelson Wright who has gone into the contracting business.

There will be no Multiple Listing Class on Wednesday since Board Executive Secretary Wayne Bailey will be in Chicago attending the National Association of Home Builders Convention, along with Ken Richardson.

The next class will be held next Friday. It will cover the Multiple Listing by-laws.

## Civic Affairs Hears Taxpayer Group President

Aim of the Contra Costa County Taxpayers Association is to see that this county has "the most efficient type of government possible," President Bruce Howard of the taxpayer group told the Orinda Association's Civic Affairs Committee Monday night.

Howard, an Orinda resident, addressed delegates and visitors at the Civic Affairs meeting in the Orinda School auditorium. The meeting was the first for Dr. Ralph C. Hall as the new chairman of the Civic Affairs Committee.

HOWARD DESCRIBED the Contra Costa County Taxpayers Association objectives as threefold:

1. Its concern is with problems "which concern the county as a whole."

2. It is "making every effort in its committee to pick up problems as they develop," instead of waiting until the problems become full-blown.

3. It is trying to help this county to have "the most efficient type of government possible."

AS AN EXAMPLE of the Taxpayers Association service, Howard cited its breakdown, last summer of the preliminary county budget, "so that the Board of Supervisors could clearly see what possible increase were in store."

This breakdown was by the budget committee of the Taxpayers Association, Howard explained.

As a result, he stated, the tax rate increase for the basic county tax came to 14 1/2 cents, instead of the 46 cents contemplated in the preliminary budget.

HOWARD SAID that Harry Morrison was employed in 1952 as executive director.

He added that the board of the Taxpayers Association has representation from industry, homeowners, merchants and agriculture.

## Big Orchestra At Las Lomas High, Sunday

Season tickets, costing about the same as a single ticket to the symphony in San Francisco, will be available at the door Sunday, when the Youth Concert season opens at Las Lomas High.

The full-length performance at 2:30 p.m. will be by the 90-piece San Francisco symphony orchestra, under the baton of Earl Murray.

The season tickets will also be good for three more musical productions at Las Lomas in the final weeks of February and April.

The programs are intended by central county men and women arranging them to bring the best music into the area for young people, and also their elders and the variety will satisfy both, according to Mrs. James Perry, Youth Concerts president.

The Bolero by Ravel, die Meistersinger by Wagner, Pictures at an Exhibition by Mussorgsky and Bassoon Concerto by Mozart are samples of the program this Sunday.

Tickets can also be purchased in downtown music stores and from Youth Concerts members.

## Dog Obedience Course to Begin

Dogs in Orinda will not only be their masters' best friends, but also well behaved citizens of the community upon completion of the new Dog Obedience Training classes which begin next week.

This was claimed by Orinda Recreation Director Frank Isola, who announced that classes will begin February 2 at the Pine Grove School.

Divided into three age groups — Novice, Junior and Advanced — the dog training courses will cost owners 25 cents per dog per class. Fees will make up contributions to Guide Dogs for the Blind in San Rafael.

Registration, at which dogs need not be present, will take place tomorrow — Juniors (11-16 years old) 1 p.m., Novice (to 11 years old) 2 p.m., Advanced class 3 p.m.

Held each Saturday, the classes will be instructed by professional dog trainers Howard and Betty Hooper of the Highland Dog Training Group.

Classes for Juniors, lasting six weeks, will be held from 1 to 2 p.m. Novice classes will be held from 2 to 3 p.m. for 12 weeks, and the Advanced classes will convene from 3 to 5 p.m.

The program is sponsored by the Orinda Recreation Program.

## Confab Weighs Survey Plans For Fire Boards

A preliminary conference with the aim of paving the way for a countywide survey of personnel conditions in fire districts was held last night at the main Orinda fire house in Orinda Village.

The conference was held as this issue of The Sun was going to press.

According to President Zach Montgomery of the Orinda Fire Board, a representative of Louis Kroeger and Associates of San Francisco was scheduled to discuss plans for a survey with representatives of fire boards and departments.

INVITED to the meeting were the fire chiefs and commissioners of all fire districts in unincorporated areas of the county and the fire districts for Walnut Creek and Concord.

Montgomery explained that the survey would deal with problems of salaries, hours and fringe benefits for firemen. He pointed out that standards for these vary in different fire districts.

Recommendation that such a survey be undertaken was made several weeks ago to the Board of Supervisors by the Contra Costa Fire Commissioners Association, through an association committee.

MONTGOMERY is chairman of this committee; Gilbert Earle, vice-president of the Orinda Fire Board, is vice-chairman of the committee.

The supervisors selected the Kroeger firm to do the job for \$2500, with the various fire districts to share in the cost, Montgomery reported.

Montgomery was scheduled to be chairman of last night's session.

## Del Rey to Host Discussion of School Reading

"The How and Why of Johnny's Reading" will be explored by parents of Del Rey School children next Thursday at 8 p.m. in the school library in Orinda.

This will be the second of a series of discussions on the subject, sponsored by the Parents Curriculum Committee of Orinda, which will be held in each of the four elementary schools in Orinda.

The reading and phonics program of the school will be explained by Philip Lambert, curriculum coordinator, speech consultant Mrs. Georgia Cooper, and Del Rey Principal Herman Z. Nyland.

Moderating the discussion will be Mrs. Peter Joralemon.

## 24 Sun Valley Cub Scouts Are Given Awards

Cubmaster Philip Carmona presented awards to twenty-four members of Cub Scout Pack 219 at the January Pack meeting Friday at Montecito School.

The pack was entertained by a clever minstrel show given by Den 3 under the direction of Den Mother La Ruth Thompson. Boys who participated were Dick Couden, John Kennett, Kirk Zimmer, Danny Thompson, Tommy Asbury, Danny DeFount, Paul Winters and Mike Marken.

Ron Clark was graduated from Cub Scouts and welcomed into Scouting by Scoutmaster Joe Legendell of Troop 219.

Six Lion Cubs entered the Webster Den, now under the leadership of Jack Cullen and Norman Clark. The boys are Tommy Clark, Gregory Phelan, Tommy MacMullen, Richard Clevenger, Jerry Cullen and Doug Robinson.

Cub Pack 219 is made up of Sun Valley boys.

### BLOW 'EM OUT

## Business March Vs. Polio Set For Tomorrow

Contra Costa County business men and women will be asked to "join the army" tomorrow when March of Dimes leaders in all communities conduct a "Business Men's March against Polio."

The county business people will be enlisted in the "Grand Army of Contra Costa" with officers' commissions granted according to the annual drive for funds to aid polio patients.

John Sheridan, Contra Costa County March of Dimes chairman, said a \$5 gift to the polio drive entitles the contributor to a second lieutenant's commission, \$10 makes him a colonel, \$25 a brigadier general and \$50 a full general. A special commission of "General of the Army" will be presented to any person subscribing \$1000 or raising that amount for the March of Dimes.

"This is one time we hope for an Army of all Generals!" Sheridan declared. "Contra Costa County business people have always been most generous in their help for polio victims. This year we're thanking them by pronouncing them officers and gentlemen!"

At a recent meeting held to plan the Mothers' March, George P. Voss, director of chapters of the

There is one young man in the area who seems assured of a successful future... at least if the example set by his elders is any example.

The up-and-coming bright star is young Bobbie Schroder, son of Mr. and Mrs. Bob Schroder of Walnut Creek.

As far as can be ascertained, after rigorous searching through the dusty records of The Sun, young Bobbie is the first area resident to have two immediate relatives chosen Man of the Year in their respective communities.

The first person to achieve this honor was M. H. Stanley who was given the Sun Man of the Year award last year in Lafayette.

Next in line was Ted Schroder, who received this year's award in Walnut Creek.

Now both gentlemen are grandfathers of young Bobbie, so whichever side of the family he looks too, he has an excellent example to follow.

M. H. Stanley, of course, is the father of Mr. Bob Schroder, and Ted Schroder is Bob senior's father.

If young Bobbie lives up to the past performance of his family, he should really turn out to be something!

Present from Mrs. George Kerns Troop 136 were Meredith Mayhew, Susan Kennett, Elizabeth Rasmussen, Kathy Reagan, Mary Ann Reibon, Shelly Wing, Diane Heinatz, Jamie Johnson, Alison Kern, Wendy Mansfield, Eileen Porter, Kathy Shaw, Katie Stretch, Susan Bragg.

## Parker is New Master Of Masons

Nelson S. Parker of Walnut Creek was installed as worshipful master of Saint John's Lodge No. 725, F&AM, Walnut Creek, in a December meeting.

Other officers are Harold F. McNeil, senior warden; Wayne C. Davidson, junior warden; Clarence A. Viera, treasurer, and William H. Morrison, secretary.

Also Vernon G. Johnson, chaplain; Russell Henderson, senior deacon; Edwin Briggs, junior deacon; Harry M. Cameron, marshal; Elmer H. Mielbrecht, senior steward; Earl F. Beard, junior steward, and Marcus T. Funk, tyler.

The past worshipful master is Emil Bergh of Walnut Creek.

Members of the lodge come from throughout the central county area. They met every Tuesday night at the Masonic Hall, 1604 Mt. Diablo Boulevard.

The next meeting will be Tuesday at 8 p.m.

## Two-Bit Haircuts Recalled as Prices Leap to 2 Bucks

Residents of Contra Costa County were reminded of the good old days when the 25 cent haircut was in vogue, as the price of haircuts went up another 25 cents to the all time high of \$2.00.

The price hike is in effect throughout Contra Costa County. Richmond has had its share of \$2.00 haircuts since last November.

Local 917 of the Barbers Union voted \$1.25 to raise the price. The prices went into effect Tuesday, according to Michael T. Capalety, president of the local.

Children's haircuts will remain at \$1.50 Monday through Friday. Individual shops have control of Saturday prices for children's haircuts.

Barber shops will be open from Tuesday through Saturday, closing Sundays and Mondays, said Capalety.

## Mothers' March Thursday-- Turn on Porch Lights!!

Thursday over 5000 Contra Costa County men and women embark on the annual Mothers' March Against Polio—high hopes of preventing polio in the future.

Mrs. O. M. Floe, County Mothers' March chairman, said the volunteers will call at every home here between 7 and 9 p.m. Thursday. "If your visitor looks like a bearded lady, she may be a father in disguise," Mrs. Floe announced, explaining that in Orinda and some Richmond areas, fathers have taken the mothers' places in the March, wearing their wives' hats and gowns. Police protection will be given all the Marchers throughout the county.

MRS. FLOE said the marching mothers and fathers have a double job this year—raising funds as always to aid the men, women and children who have been stricken by polio, and at the same time distributing vital information to every family about the need for 100 per cent protection by the Salk vaccine.

"Now that the vaccine has been proved effective, it is up to us to see that every member of every family makes use of this protection against polio. We've seen too much of the misery caused when polio strikes a mother or father to limit protection to the children alone," Mrs. Floe declared.

"Each marching mother or father will leave a card at every home, which gives on one side the reasons for using the Salk vaccine and on the other side a handy form for keeping records of inoculations."

At a recent meeting held to plan the Mothers' March, George P. Voss, director of chapters of the

National Foundation for Infantile Paralysis, traveled from the Foundation's New York headquarters to impress on the Mothers' March leaders the urgency for vaccination of all Californians up to the age of 40.

"More than 70 per cent of Californians under 40 years of age are not protected against polio," Voss stated, terming this a "shocking figure." He pointed out that adults in households with children are under particular risk.

"ONE-THIRD of all paralytic polio in California occurs in the age group of 20 and over—and polio in this age group is usually severe in its effects," Voss said. "Unless all Californians under 40 are vaccinated by spring you can expect 1 to 2000 cases, which could have been prevented, in your state in 1957."

Pointing out that as more and more children are being inoculated through school programs, the polio virus is attacking the older groups, Voss declared, "Polio incidence among teenagers is rising tragically, and 85 per cent of the teen-agers are not protected by the vaccine."

Voss said that California is one of only three states which had more cases of polio in 1956 than in 1955—even though there is plenty of vaccine to protect every Californian.

"That is why the Marching Mothers and Fathers have a big job to do (Thursday)," he said. "The information they will bring can save many families the heartache and grief, the physical and financial disaster brought about by polio. The work being done by this year's Marchers may free us from the terror of polio!"

At a recent meeting held to plan the Mothers' March, George P. Voss, director of chapters of the

A roller skating party January 16 was the highlight of the week for Brownie Troops 35 and 136 of Sun Valley. Brothers and sisters of members were invited to attend.

The afternoon of exhilarating fun was climaxed by a trip to an ice cream fountain for refreshments. Mothers accompany the group were Meredith Mayhew, Susan Kennett, J. W. George Kerns, J. Heinatz, J. W. Mixsell, George J. Ward, Ersell Perrin, J. H. Ensminger and Grady B. Holloway.

The Brownies of Mrs. Clifford Baigalupi's Troop 33 in attendance were Jeannette Agaz, Peggy Campbell, Margaret Daly, Sharon Ensminger, Kathy Holloway, Karen Mili, Kathy Mixsell, Joanne Osi, Cindy Palmer, Suzanne Perrin, Nancy Valcke, Valerie Young, Valerie Ward, Sandra Baigalupi was ill and unable to attend.

Present from Mrs. George Kerns Troop 136 were Meredith Mayhew, Susan Kennett, Elizabeth Rasmussen, Kathy Reagan, Mary Ann Reibon, Shelly Wing, Diane Heinatz, Jamie Johnson, Alison Kern, Wendy Mansfield, Eileen Porter, Kathy Shaw, Katie Stretch, Susan Bragg.

## Sewer Rule to Adjust Charges

Adoption of new ordinance No. 29 by the Central Contra Costa Sanitary District last week will make sewer connection charges uniformly applicable throughout the entire district beginning July 1.

The new ordinance, amending Ordinance No. 22, will eliminate the waiver of connection charges for properties in local improvement districts 1 through 23.

These districts had been established and severed before the original ordinance was passed.

The board has asked District Engineer G. A. Horstotte Jr. to make a comparative study of costs of acquiring an additional 200 acres for oxidation pond expansion at the treatment plant near Pacheco.

The expansion proposal is related to long range plans for running an outfall line to Suisun Bay.

Fairbanks-Morse Company won the contract for supplying by-pass pumping units at the treatment plant on its bid of \$14,750.

Resolutions providing for Local Improvement District No. 39, a small area at the end of Stewart Avenue in the Sans Crainte area, were passed. A public hearing on the resolution of intention will be held February 21.

## Dr. Nixon Named University Dean

Dr. Clifford Nixon, who was principal of the Walnut Creek Christian Academy in 1955, has been appointed acting dean and head of the Department of Education at Bryan University, Dayton, Tenn.

His wife will receive her doctors degree in elementary education at the University of California in June, and will join the faculty at Bryan next fall.

## Brownies From Sun Valley Take Lions Donate \$100 to AFS

In an effort to help bring two foreign students to Miramonte High School next fall, the Orinda Lions Club has donated \$100 to the International Scholarship Exchange Program of the American Field Service.

The Lions' board of directors voted to contribute the funds at a recent meeting.

In a letter to Mrs. S. Groenings, chairman of the Orinda chapter of AFS, Secretary Roy Stuart enclosed the check with the words,

"The club feels that your cause is a most worthy one and wishes you every success in your undertaking."

Deputy Sheriff William Foulkner of the Walnut Creek Sheriff's Substation gave an illustrated talk on "Narcotics" at the Lions' meeting Wednesday at Casa Orinda.

Members are currently pointing to the "Gay Nineties" Valentine's Day dance slated for February 13 at Holy Ghost Hall, Walnut Creek.

On March 3 the Lions will hold a rummage sale at Carl Miller's sales room in Berkeley.

### Mrs. Schwarck Will be Heart Sunday Chairman

Mrs. J. H. Schwarck of 35 Via Hermosa, Orinda, will serve as Heart Sunday chairman, it was announced today by William S. Palmer, chairman of the 1957 Heart Fund drive to be conducted in Contra Costa County through February.

Heart Sunday, February 24, will mark a high point in the campaign to raise \$50,000 for the Contra Costa County Heart Association's fight against heart diseases.

MRS. SCHWARCK is chairman of the volunteer committee of the Contra Costa County Heart Association and has been a member of the board of directors for the past three years. She served as Heart Sunday chairman last year when Orinda raised \$3000 to top the quota set for the drive.

Mrs. Schwarck also holds the position of president of the Orinda School Board on which she has served for five years.

She is president of the Orinda Mothers Club and has participated in fund drives for the Red Cross and the Girl Scouts.

She is the mother of two sons, aged twelve and fourteen.

PART OF MRS. Schwarck's duties as Heart Chairman is to organize an army of volunteers to contact every family in the community in a house-to-house drive on Heart Sunday. She will also be responsible for assigning and briefing district captains who will be in charge of detachments of volunteers.

According to Mrs. Schwarck her organization is nearly complete, with the appointment of 17 captains.

There is a captain for approximately each of the thousand population and generally includes two voting precincts.

Each captain in turn will appoint 15 workers for the door-to-door campaign, for a total of 255 volunteer workers.

### 'Free Ride' Insurance Funds Halt

As a result of investigations into the "insurance pie" business involving commissions on insurance sold to the State of California, State Finance Director John Peirce this week halted all "free ride" commissions and flatly barred broker-legislators from receiving commissions, even if they do some work for their money.

Other developments involved Governor Goodwin Knight, who flatly branded as false a statement by his former executive secretary, Robert Alderman, who stated that the Governor had discredited with him the names of brokers who should receive the state commissions.

THESE STATEMENTS were made to a legislative subcommittee which is investigating the situation.

Alderman testified under oath that Knight gave him a list of four names to appear on the commissions list, and that he passed them on to Peirce.

He said the four received commissions on state insurance policies.

The investigation started after it was disclosed that 28 favored brokers, including five legislators, were getting the lion's share of commissions on state insurance.

ONE OF THE legislators was Assemblyman Donald Doyle of Lafayette.

Peirce and Knight have conceded that the list was composed of people friendly to the administration, but Knight has always contended that he let Peirce select the brokers.

Peirce said that henceforth his insurance advisor, John Brady, will work only through qualified brokers—but not if they are legislators—in closing insurance deals.

This means that commissions will be paid only when earned.

### Post 300

Gordon Powkes and Steve Parks were installed as Senior Crew Leader respectively at the recent Court of Honor of Orinda Explorer Post 300.

Parks and Ron Larson were presented their Bronze awards, and eight scouts received merit badges in canoeing which they earned on the Post's Canoe expedition in the Quantico Provincial Park area in Ontario, Canada, last summer.

Apprentice awards were given to seven explorers.

Seven merit badges were awarded Jack Doty, while Lynn Hill received four.

At the close of the meeting colored slides of the Post's Canadian trip were shown.

### Pack 212

"Eyes in the Sky," the study of stars and astronomy, was the theme of the monthly meeting of Pack 212 recently at Fellowship Hall in the Orinda Community Church.

Grins are still going around over the Christmas holiday program, presented by the Cub Scouts at their December meeting when each den took part in humorous skits and musical numbers.

New pack members introduced at the December meeting were Randall Lucas, Julian Daniels and Woodson Merrell.

The following awards were made at that time:

Gold on Wolf and Silver on Wolf to David Bell, two awards of Silver on Bear and a two-year pin to Roy Hoyer, who hasn't much room left on his shirt. Winston Cundiff received his Silver on Bear as well as his two-year pin, and a Diner Stripe was presented to Steve Gentry.

### Retiree Meeting Held Thursday

The National Association of Retired Civil Employees is represented in Contra Costa County by Mount Diablo Chapter, No. 531

Through these local chapter meetings, the National Association helps to keep all retirees informed on matters pertaining to their welfare.

Meetings are held monthly and any civil retiree is cordially invited to visit, even though not a

member of the Association. An enjoyable social period at each meeting enables all to get acquainted with fellow retirees.

Of special interest is the annual convention of State Chapters, which will be held this year on April 4 and 5, in San Francisco

at the Whitcomb Hotel, and for which the State Officers are now making plans.

The first local meeting this year was held at 2 p.m. yesterday at 1535 Bonanza Street, Walnut Creek.

If any additional information is desired, please communicate with the Chapter President, Mrs. Jeannette Drumm, at YE 4-8374, or the Secretary, Mrs. Salisbury.

## Woman Granted Divorce Decree

Contra Costa Superior Judge Wakefield Taylor awarded an interlocutory divorce decree to Anne E. Strickland from her husband, Orinda salesman Henry R. Strickland, recently.

The divorce, which was not contested by her husband, was granted on Mrs. Strickland's allegations of extreme cruelty.

Under terms of a property settlement agreement approved by the court, Mrs. Strickland was granted custody of the couple's children, James, 3, and Robert, 10 months. She was awarded \$200 a month support for the children and \$200 a month for her support.

She was also granted the family home at 65 Sleepy Hollow Lane, a home at 31 Vista Del Orinda, a parcel of unimproved property in Orinda, a swimming club membership and a car.

## Students Collect 3 Tons of Clothes

A concerted drive last weekend by five Acalanes High School campus clubs has netted three tons of clothing for Hungarian refugee camps in Austria.

The drive was conducted Saturday from 1 to 5 p.m. and Sunday from 3 to 5 p.m. Students working on the drive were still bundling clothing for delivery to the American Friends Society as late as 1 p.m. Sunday.

To assist students in their drive, Lafayette fire stations will receive donations of clothing from residents of Lafayette or Orinda until 6 p.m. today.

Clothing was collected over the weekend from residents of Lafayette and Orinda. Student chairman for the drive were Lou Smith and Pat Jackson.

## Suburbia Scribblings

By MARIE MONAHAN

### 'The Family of Man,' Suburban-Style

ONE SLEEPY-EYED SUBURBAN MATRON no sooner got the kids off to the school bus one recent morn than she decided to shampoo her lovely locks . . . Halfway through the hair-job, she made the hair-raising discovery that she had plucked from the cabinet, NOT her favorite crowning-glory goo at all, but a tube of green, and much goofier, TOOTHPASTE!

Wayne Miller, Orinda photographer who assisted Edward Steichen in the photographic "FAMILY OF MAN" exhibit currently on view in SF, confesses that the total photos waded through, from all over the world, was closer to six million, but the official press count is given as two (2) million because "no one would believe the other number."

When it came to making final selections, Steichen and Miller bowed to Miller's wife Joan to make the choice of pictures in the categories marriage, motherhood, children, etc.!

Miller appeared on Margery Trumbull's Sunday TV show and on Ann Todd's Monday program in behalf of the widely-proclaimed exhibit which will continue through February at the Calif. Palace of the Legion of Honor in SF, daily 10 to five. You'll see pictorial representation of the Miller family, and Ron Partridge of Bear Creek Rd. has a contribution in the show, too.

More of Miller's work can be seen in the new pocketbook edition of "Baby's First Year" by baby-authority Spock.

IF YOU MISSED MEETING the Don Sigersons of Valley Drive on "Wide, Wide World" last Sunday (very few did!) you missed seeing a marvelous toy designed by a mother and who knows BETTER about such things!

Barbara Sigerson, mother of two and an engineer to boot, knows a good toy when she dreams one up! During a visit to the Sigerson's Automotive-parts Mfg. plant in Oakland, the T.V. cameras focused all too fleetingly on a bevy of local young fry twirling and whirling across the floor in Barbara's invention of "Tumble Tubs," spun steel bowls geared for hard action play.

### 'Oh Men, Oh Women!'

ONE OF SUBURBIA'S MOST SOLID CITIZENS, on his way to on Orinda Library Campaign meeting the other night, found himself solidly locked IN on the OUTSIDE!

When the electric power went off in the neighborhood, the electronically-controlled gate to his home, guaranteed to keep intruders OUT, reversed itself when the current was cut off, to keep its owner IN. But being very civic-minded, our man got out his tool kit and some time later, turned up at the meeting in time to give a much funnier first-hand account of what had detained him.

When the SF Auxiliary for Recreation for the Blind put on its benefit luncheon featuring fashions by SOPHIE OF SAKS on January 16 at the Fairmont, rineside tables, which got you just that much closer to the elegant duds, were ogling for \$25 extra! Seated NEAR enough for SIGHS were an Orinda group comprised of Wisby Sage, Helen Flumerfelt, Pat Sergeant w/her Connecticut houseguest May Brown, Bobby Cullen from WC and Orinda Auxiliary member Lola Tehbs, all enjoying the day in the city across the bay.

HOME FROM SIX WEEKS of hospitalization and back to work at the Cyclotron is Bob Cox of upper El Toyonal . . . Bob's recovery of the heart due in great part to all the wonderful cards and notes and letters sent by so many of his friends and get-well wishers. Bob lives on El Rincon w/his English wife Sylvia and their daughter Susan.

More than several new families will swell the upper El Toyonal Cowboys 'n Indians set with their coming . . . Already here are newcomers Tom and Jody Hand, temporarily ensconced in the house vacated by the Ed Wilfords when they moved into their new home on La Campagna . . . Tom and Jody have two children and are building a new house just above their interim home in the hills. Nearby, anticipating an end-of-Jan. move into their new home, too, are Jean and Carl Kolveck with their four youngsters, from Alamo.

Three children belong to the Jim Lucases, recently settled in the same area . . . And for your add-information, this will put two (2) James R. Lucases of Orinda in the telephone listings.

### Stork bites man

JANUARY SHOWERS rained pretty presents on Mary Ann McClure who is expecting an addition to the family in March . . . Mary Ann, the guest of honor at a party last Friday given by Wanda Hageman at her home on Ichabod Lane . . . guests partaking of champagne cocktails, a chafing dish entree supreme, and bridge and canasta on into the afternoon after package-opening!

Besides the John McClures, additional income tax exemptions are anticipated this spring by the Robert Boyles, the Russel Usingers, Gene and June Estes, the Thomas Fergusons . . .

Ditto and double-check diapers for the Marshall Morans, Charles Kerstens, Roland Andersons!

The Ben Randalls will become first-time Grandparents sometime before summer!

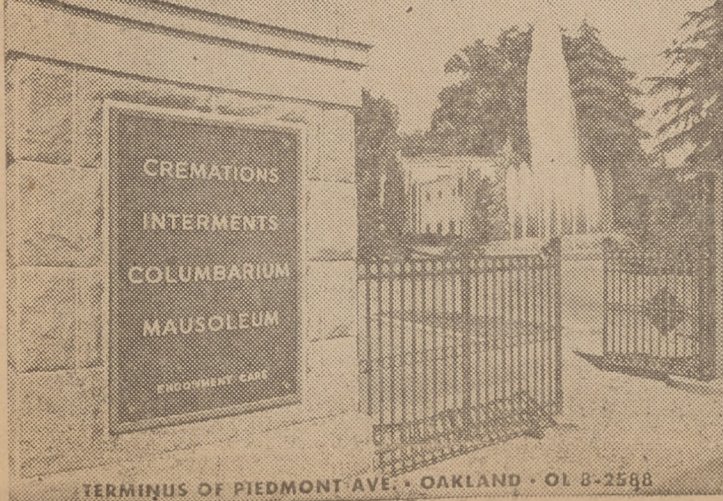

ONE WOMAN WORKER at the Santa Maria Parish Hall, where they are readying for the annual rummage sale, laid down her pink orlon sweater and another lady "marker" promptly picked it up and put in a bid for it. That's how good the rummage is! You can't tell the difference!

Be it baby furniture, children's clothes, bric-a-brac or boys' suits, you are invited to browse and shop tomorrow from 10 until 4 in the Parish Hall during the annual Preview Sale . . . But, please, don't leave your sweater laying around! It happens EVERY time!

## Within the gates at MOUNTAIN VIEW CEMETERY ASSOCIATION

a non-profit organization, serving the Bay Area for 93 years

YOU are cordially invited to visit the spacious grounds and to view the beautiful, new Avenue of Four Fountains.

THE ORINDA MAN OF THE YEAR AWARD was presented to Frank Isola (center), physical education and recreation director, by Herman Silverman (right), editor and publisher of The Sun, at the January 15 meeting of the Orinda Mothers Club at the Pine Grove School auditorium. Also delighted was Mrs. Charles Erickson (left), Mothers Club president and chairman of the citizen-committee which selected Isola for the honor at the end of 1956. The annual award is sponsored by The Orinda Sun.

## Casaba Hassle To Add Points In Polio Fight

Thirty-five of Contra Costa County's top parlor athletes will compete this evening at Miramonte High School in a free-for-all hassle they hope will resemble a March of Dimes benefit basketball game.

Moraga Fire Chief Al Baitx, who heads the March of Dimes in that area, says seven teams will play basketball "as long as they can stand up, scoring all points for polio, aiding victims of that disease and insuring that scientific research on polio prevention will continue."

Baitx said the players will be in costume, wearing everything from mother's best mink to their own nightshirts and pajamas. Activity will start at 8 p.m. Admission will be a 50 cent donation to the March of Dimes, and children will be admitted free.

Sponsors of the seven teams, and the team captains, are: Clark's Market, Jack Clark; Rheem Valley Estates, John Tarpley; Inland Valley, Ken Ruppenhal; Ranchitos, Dick Irving; Lincoln Estates area, Stan Masie, Moraga, Vic Pagliero; Canyon, Paul Foster.

## '56 Was Record Year for PO

Gross receipts for the Orinda Post Office during 1956 showed more than a 10 per cent gain over the preceding year. Postmaster Laura Mallory has disclosed.

The 1956 total was \$83,251.22, as compared with \$75,615 in 1955.

In addition, outgoing mail reached a new peak at the local post office on the 10th day preceding Christmas, with a dispatch of 60,000 pieces.

## Episcopal

On the 3rd Sunday after Epiphany, also Theological Education Sunday, Holy Communion will be celebrated at 8 a.m. at St. Paul's Church, Walnut Creek. Services of Morning Prayer will follow at 9 and 11 a.m. Evening Prayer at 5 p.m.

Mr. Shepard Crim and Mr. Garrett Conklin, 2nd-year students at the church Divinity School of the Pacific in Berkeley, will preach at the 9 and 11 o'clock services.

The offering at these times will go to the support of the church Divinity School, which is the only Protestant Episcopal Church seminary located on the West Coast.

The Feast of the Conversion of St. Paul, will be observed today at St. Paul's Church by a celebration of the Holy Communion at 11 a.m. and a service of Choral Evensong at 8 p.m.

# Pleasant Hill Hoopsters Defeat Knights

## Varsity Wins After Bees Bow To Las Lomas

The Las Lomas Knights had their moment of glory last Friday night when they racked Pleasant Hill 41-25 in the Bee game, but it was short-lived as the Rams varsity came back in the main event to top the home club 44-39.

The Las Lomas varsity started fast and looked to be on its way when it took a 14-5 first quarter lead.

While the Rams closed the gap in the second quarter, it was still Las Lomas at the half, 23-17.

THE HALFTIME intermission evidently cooled the Knights off as they accounted for but five points in the fatal third quarter. The Rams hit for 10 points and took a narrow 28-27 lead.

It was touch and go in the final period, only to have the Rams, paced by Guard Bob Ritchie and Center Mike Mayne, finally pull away as they topped the nod by Walnut Creek team 17-11 in the closing eight minutes of play.

RITCHIE TOOK scoring honors with a grand total of 16 (8 fg), while Mayne was next in line with 14 (5 fg - 4 ft).

Two other players, both from Las Lomas, hit in the double digit column, as far as the scoring was concerned.

Forward Joe Sibley bagged 12 points (5 fg - 2 ft), while Guard Pete Ostrom accounted for 10 points (4 fg - 2 ft).

## Matadors Stay Hot with Win Over Don JV's

The Miramonte Matadors added another win to their growing list as they traveled to Acalanes High Tuesday afternoon to roll over the Don Junior Varsity, 44-27.

The Matadors proved their earlier win over Acalanes was no fluke as they held off a second half Don spurt to coast to victory.

A scare was thrown into the Matadors in the third quarter when Acalanes pulled up to tie the score at 26 all. But from that point on it was Miramonte all the way.

Holding the Dons to but a lone point, the Matadors bagged 18 points in the remaining time.

Matador Center John Coffey hit for 12 points to pace the winners, while teammates Dixon Farmer and Floyd Blaney both scored 11.

Jim Walker at forward for Acalanes came through with eight points on four field goals to top the losers' scoring column.

The Matadors play host to Las Lomas Jayvees today at 3:30 p.m. Next Thursday they'll greet the San Ramon five on their home court. Game time will again be 3:30 p.m.

## Lafayette Youth Baseball Show to be Given Feb. 6

Wednesday, February 6, is "Red Letter Day" for Lafayette Youth Baseball, as it is on that date that a benefit variety show will be presented at Acalanes High School gym, starting at 7:30 p.m. sharp.

All funds from the event will go toward the running of the youth baseball program this summer.

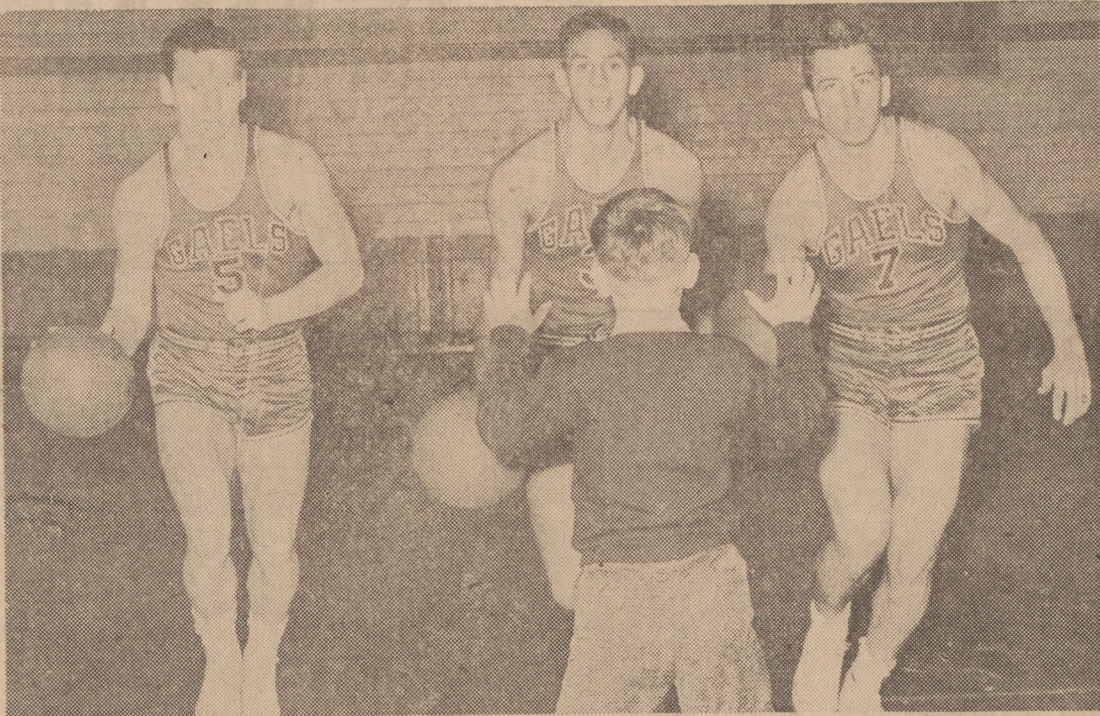

Jack Hageman will be master of ceremonies at the event. He promises a fast-moving series of acts that should appeal to everyone.

SOME OF THE ACTS are local and others are being imported.

Arthur "Red" Gilliam will be there with his band. Red, one of the main motivating forces in youth baseball, has appeared on many television shows and has starred on the Hoffman Hay Ride presentation. One of the acts will be his interpretation of Casey at the Bat.

Ernie Pertucci, youthful drum sensation, will appear in a demonstration on how to "beat that kettle."

THE FIREHOUSE Five of Walnut Creek will have a go at it, and

THOSE GALLOPING GAELS of St. Mary's College and the Lions of Loyola University of Los Angeles will provide plenty of basketball thrills at St. Mary's gym in Moraga next Friday night, at The Sun's Father-and-Children Night. Three of the Gael quintet — left to right, Andy Sloan, guard; Odell Johnson, forward, and Jack Witry, guard — do a bit of realistic practice and enable young Tommy Ternes to try to guard against their efforts. Tommy, needless to say, is looking forward to next Friday night, when each dad (or mother) who pays \$1 and presents a coupon from The Sun will be able to take as many youngsters as desired to the game, free. This community project is sponsored by The Sun in cooperation with St. Mary's College.

## Matadors Get Rams Skim Revenge vs. Harry Ells

Vengeance was sweet last Friday for the Miramonte Matadors as they downed Harry Ells High to make up for the one blot on their otherwise perfect record.

It took a terrific fourth quarter rally to even up the season's score with Ells. The game was tight throughout, but the Matadors held a slight edge until late in the third period.

It was 12-11 for the Matadors at the end of the initial period. The second quarter found both teams hitting with little consistency. The score at the half was 16 all.

A rip-roaring third quarter saw Ells squeeze to a 23-24 lead. The teams went tit-for-tat, but Ells clung to the lead.

Trailing as entered the fourth quarter, the Matadors were pulled up by their bootstraps by their elongated center, John Coffey. Controlling the backboard, Coffey edged the Matadors to an even count with just two minutes left on the clock.

The big boy then dropped through a foul shot that put Miramonte ahead to stay. Inspired by their center's play, the Matadors gradually pulled away and led 38-32 as the buzzer sounded.

## Don Wrestlers Lose to Diablo, Then Beat Rams

The Acalanes wrestling team lost to Mt. Diablo High in their first meeting by a 35-15 score.

It looked like the win would be reversed in their second meeting last Friday afternoon at Diablo High when the Don heavyweight, Bob Farnum, was leading in the final match on points, only to wind up with a draw when he fouled and lost the all-important point in the final 10 seconds of the match.

Diablo was leading by one point going into the final match, and the draw gave them a 25-24 team score victory.

IN THEIR SECOND meeting with the Pleasant Hill Rams Tuesday, the Dons wrapped the meet up by a comfortable 38-13 margin.

The meet took place at Pleasant Hill High.

The Acalanes grapplers wind up their first season of the mat sport this afternoon when they tangle with the Pacifica Spartans at Pacifica.

THEY FACE their toughest foe to date when they meet the Pacifica High team for the second time.

The Spartans, with a year's experience under their belts, have defeated everyone in the area. In their last outing with Pacifica, the Acalanes team dropped the decision, 29-19.

Results of the latest Diablo and Pleasant Hill matches with Acalanes were as follows:

## Hold First '57 Meeting

The Contra Costa Golf Club women's group held their first meeting of the new year January 10 under the direction of Mrs. Don Edminster, the new captain. She welcomed Mesdames Irvin Deutscher, Fred Confer and Har old Smith into the organization.

Mr. and Mrs. "Ace" Giboney were picked to head the two-bal foursoomes scheduled for the year.

In the first flight putting contest, Mrs. Kirby took first place. Mrs. Kermit Coon second and Mrs. Arnold Grunke third.

## Doctor to Council

Governor Goodwin J. Knigh has announced the reappointment of Dr. George U. Wood, of 19 Brookbank Road, Orinda, as a member of the California Advisory Hospital Council.

Other members, also reappointed, are Drs. George J. Badenhausen of Long Beach and H. D. Choche of Redwood City.

## Great Pitt Coach may be Leaving for College Ranks

By ERWIN MATTSOON

Dame Rumor has it, and on good authority, that Tony Knap, Pittsburgh's successful grid mentor, is about to leave the local prep field. He will soon move northward to take over as line coach at Humboldt State College, so the story goes.

Since coming to Pitt Tony has racked up an enviable record, copping the loop pennant six times in eight years.

KNAP'S CLUBS have been noted for their polish and play execution. Tony played as an end in his college days at Idaho University and wound up on the All-Coast team.

In addition to football chores, he coaches baseball at Steel City and heads the Physical Education and Athletic departments.

He has been recognized in the local area by being selected to mentor many All-star aggregations.

It's not definite but highly probable at this writing that he will make the move. He has done a terrific job at Pittsburgh — to say they will miss him there is putting it mildly.

WRESTLING HAS taken hold in the local prep sports world and has proven popular with fans as well as with participants. Twelve classes, from 103 pounds to heavyweights, take part.

Facilities in most schools have been limited but will be greatly expanded next year. In all probability the grapplers will wind up the season with an All-League tournament.

Some parents have been a bit reluctant to let their boys take part in the mat game. Their judgment is based on viewing so-called professional wrestling on T.V.

Pro wrestling is little more than a vaudeville act, with a bit of tumbling and lots of hocus-pocus thrown in (although many won't believe it). A good part of the apparent roughness is according to schedule as the promoters give the public what it wants.

In amateur wrestling no hold can be used for punishment. Controlling your opponent and being aggressive is what counts. The main object is to pin his shoulders to the mat, which is like a K.O. in boxing as it ends the bout.

In event of no fall, the decision goes to the boy scoring the most points, which are given for take-downs, near falls and escapes.

A fall gives a team five points, a decision three points and a draw two.

It's a great body builder and develops fundamental muscular skills with a great carry-over to other sports and activities.

Bouts are six minutes in duration and, strange as it may seem, demand top condition as a great deal of energy is expended in a short time.

SPRING MUST BE just around the corner, as Coach Charles Eaton at Acalanes has been getting mighty restless. He is currently doing a good job with the Bee basketball team, but is testing the track and checking every kid who moves faster than a walk.

His track teams have been good and he has copped more than his share of pennants. But not without good reason, as he searches for material the year around.

If it comes out from under a rock and moves, it's a prospect. Of such enthusiasm are champions developed!

## Casaba Fives Scramble for Loop Leadership

Hoop teams in the Diablo Valley Athletic League are crying for elbow room in the loop standings as they head for the end of the first round of play bunched tighter than rush-hour commuters.

Mt. Diablo upset the Pirates of Pittsburgh last Tuesday afternoon, leaving Antioch the league's only undefeated five at this writing.

Pitt still holds the favorite's role, but the pressure is on and the Pirates could crack.

The week's play is as follows: TODAY: Acalanes at Diablo—The Devils should be tough, having dumped Pitt. Playing on their home court makes Diablo the favorite here.

Pleasant Hill at Pittsburgh—The Pirates have been stung and will be tough to handle, but a good night for the Rams could provide another upset. Pitt's home court and crowd won't help the Rams.

Pacific at Antioch—Antioch is coming strong and figure to keep their slate clean here. Big test comes when they face Pitt next Tuesday.

Las Lomas draws a bye and will spend their time preparing for action Tuesday.

TUESDAY: Pacifica at Las Lomas—Playing on their home court and rested from their bye, the Knights figure to bounce back for the win.

Pleasant Hill at Acalanes—Top competition here. The Dons have "hot" and cold, but warrant the edge here because of home court. Could be decided by a scoring duel between Don Bill Freeman and Ram Bob Ritchie.

Antioch at Pittsburgh—League lead at stake, so count on Pitt to win when the chips are down. Too much board control and depth for Antioch to contend with.

Diablo rests, hoping Antioch springs an upset.

## Sale of Truck Told to Police

Arthur Brown, who has a user car lot on 1532 Mt. Diablo Boulevard, told police that he bought a red pickup truck January 10 from Tony Zunino of 2549 Buena Vista, Walnut Creek, but learned that the truck actually belonged to Pete Zunino, the seller's father.

Brown then called a bank to stop payment on a check he had given the younger Zunino as part payment, pending submission of the pink ownership slip the next day. Brown said that he worried about the transaction afterwards when it occurred to him that \$475 is cheap for a good pickup truck, only one year old.

## Down the Slope Snow at Last! Skiing Has Found Its Element

By VI WHITE

Our prayers were answered and now the long dry spell is ended with all slopes in wonderful shape.

Several meets were canceled recently because the soft powder snow had not packed enough over the rocks and twigs that had to be avoided before, making skiing difficult.

## Knights Drop Pair to Antioch

The Las Lomas Knights came out on the short end of the count Tuesday afternoon as they dropped both ends of a league double-header to the Antioch Panthers.

The Panthers clawed their way right through the Knights in the Bee game opener as they coasted to a convincing 42-24 win.

In the varsity encounter it was close, 38-34, as the Panthers clung stubbornly to a lead which they attained early in the contest.

Antioch held a scant 17-16 lead at halftime, but the Knights came roaring out in the third period to jump to a 23-19 lead. But Antioch's power began to tell and the Panthers entered the final stanza with a 28-24 margin.

The Knights fought back to within one point of trailing 34-35 midway in the quarter.

Las Lomas rosters settled back in their seats, however, as the Panthers stuffed in a couple of rebound shots at the critical moment and went on to take the decision.

Antioch forward Rally Rouns-ville set the pace in scoring column with 17 points (5 fg-7 ft). Best for the Knights was forward Frank Cox's 9 tallies (3 fg-3 ft) and guard Pete Ostrom, who also had 9 (4 fg-1 ft).

## Vikings Hit Fourth Coast League Win

The East Contra Costa Junior College cagers scored their fourth consecutive Coast League victory of the season Saturday night, keeping them in a first-place tie with Vallejo.

They downed the San Jose Junior College players, 74-65.

The next game is a non-leaguer at the Alameda Air Station, tomorrow night.

THEY TRAILED by seven points in the crucial third quarter, but caught up, and prevailed after losing the lead several times in the last stanza.

The quarter scores, all favoring the winners, were as follows: 17-12, 37-33 and 53-52.

High point men for the Vikings were Charles Jackson and Jerry Walsh, forwards, each 18 points; Red Jones, forward, 14; Gary Newman, center, 13 points; and Larry Noerenberg, forward, 10 points.

Top man for the opposition was Ron Wyrsh with 18 tallies.

EAST CONTRA Costa hit 42 per cent of the field goal attempts, and San Jose 32 per cent. The locals made 57 per cent of the free throws, and San Jose, 71 per cent.

The game proceeds went to the March of Dimes.

Here are the league standings: Vallejo and East Contra Costa each 4 wins, no losses; Menlo Junior College, 2-1; Hartnell College, 3-2; Concordia, 1-3, and Monterey, 0-5.

The Vikings have played Concordia twice, but have yet to face Menlo, Monterey or Vallejo.

Acalanes — 11 4 4 12 — 31

IN THE BEE game the Don Babes were in contention all the way, with Pitt winning out in the closing minutes, 33-30.

Forward Morgan Jellet of Acalanes took game scoring honors with 12 points (5 fg — 2 ft).

"BUY A TICKET — OR ELSE!" — That seems to be the message of five bat-wielding youths to Arthur "Red" Gilliam regarding the February 6 variety show which will benefit Lafayette youth baseball. The youngsters, left to right, are Don Nelson, Tom Strain, Denny Tell, Stu Fox and Bob Gilliam. "Red," eloquently displaying his wallet, is really happier than he looks, since he is one of the hard workers for Lafayette youth baseball.

HUNGRY? THIS MAY not look much like food, but it represents a good meal and a community service organization. The big event is the East Contra Costa YMCA annual dinner which will be held next Thursday from 6:30 to 9:30 p.m. at the Walnut Creek Methodist Church. Seated at the table are, left to right, Fred H. Knobel, chairman and Fred Border.

## Judge Taylor Is Guest at YMCA Fete

The East Contra Costa County Young Men's Christian Association will hold its annual dinner meeting in the social hall of the Walnut Creek Methodist Church, Thursday.

The purpose is to acquaint the community with the services and program of the "Y."

The "Y" program has been operative in this community since 1951 and is now serving over 3000 young people in Central Contra Costa County. The dinner will begin at 7 p.m.

The YMCA headquarters, adjacent to the church, are located at 1537 Sunnyvale Avenue, one block north of Geary Road, just west of Contra Costa Highway.

An open house will be held at the "Y" office from 6:30 to 7 to exhibit the work of the "Y" groups.

The meeting will feature Wakefield Taylor, Judge of Superior Court, County of Contra Costa. Reservations may be made at YMCA office.

## Art Group to Meet at Center Monday Evening

The Diablo Art Association will hold its first meeting of the year on Monday evening.

The meeting place has been changed from St. Pauls Episcopal Church to the Walnut Creek Recreational Center on Ygnacio Road, due to the increase in membership.

There will be a short business meeting at 3 p.m. after which Nat Levy will speak on the "Story of Watercolor."

Levy is president of the Society of Western Artists, and a member of the Thirteen Watercolorists. He has studied with the famous desert artist Maynard Dixon, as well as Armin Hansen and Frank van Sloun of the Hopkins Art Institute in San Francisco.

He paints, teaches and is an advertising illustrator in that city. During the evening he will give helpful criticism to members and guests who wish to bring their work.

The public is invited to attend the meeting and bring paintings. Officers of the Diablo Art Association are President Marian Love, Vice President Leonard Bardsley, Treasurer James Lawson and Secretary Muriel White.

**HIRAM** Meulendyke, chairman of the Association second art auction for the benefit of the March of Dimes, announced the names of artists who have contributed watercolor and oil paintings for sale.

They are Mary Kwiat, Gertrude Albright, Mary McNally, Doris Whipple, Katy Madison, Barbara Gilson, Mary Rasmussen, Alleene Stoeffler, Evadne Wenker, Arthur Watson, Hazel Elling, Vivian Cook, Marian Love, Pearl Wille, Katy Hassler and Meulendyke.

The public is invited to submit sealed bids for any of the paintings which are on display at the Contra Costa Stationers in the Broadway Shopping Center in Walnut Creek. Bids will be opened on Thursday.

## Davis Students Take Honors At Assembly

Two area students at the University of California campus, Davis, have won awards for athletic and student body participation this semester. They were among some 90 students to receive recognition at a recent awards assembly.

Hugh R. McBride of Walnut Creek was awarded a belt buckle for participating as a member of the livestock judging team which won fifth place in intercollegiate competition at the Cow Place last fall.

A junior majoring in agricultural economics, he is the son of Mr. and Mrs. R. C. McBride, of 1729 San Luis Road, Walnut Creek. Nat Dodge of Orinda received a letter for junior varsity football.

A sophomore majoring in animal husbandry, he is the son of Mr. N. S. Dodge Jr., of 51 Rheem Boulevard, Orinda.

# Orinda Needs Civil Defense Council

There have been many arguments about many issues in Orinda in recent years.

But one fact emerges about which there can be no doubt.

That is the urgent need for establishment, as soon as possible, of an effective Civil Defense Sub-Council in Orinda.

In view of the world situation and the uncertainties of the age in which we live, it is almost amazing that in this community there are as yet no town-wide plans on what to do in case of A-bomb or H-bomb attack.

True, initial steps have been taken; some interest has been expressed. But the steps have not been fast enough; the interest has not been deep enough.

It is heartening that the Orinda Association's Civic Affairs Committee, under its new chairman, Dr. Ralph C. Hall, is taking action to stimulate interest in this vital matter. Dr. Hall has appointed Joseph Nicolet as chairman of a new Civil Defense Committee of the Civic Affairs group.

This appears to us to be a sound appointment, since Nicolet has been serving in a sort of liaison capacity with the county civil defense apparatus for some time — a capacity in which Mrs. Stuart Henderson served before he assumed those duties.

We hope that Nicolet will receive the necessary cooperation from the Or-

inda Association and from the other organizations in the community. Up till now, such cooperation could hardly have been described as widespread.

As yet, no community-wide organization for civil defense has been set up.

The schools are coming up with a definite plan.

There are some law-enforcement group plans on the county level.

The fire department, medical groups and the Red Cross are organized to meet the threat of disaster.

But how do these fit together in an overall picture for Orinda?

In case of mass evacuation, which streets will be one-way? Who will be in authority? Who will direct the stream of traffic pouring out from Oakland and Berkeley?

These are just a few of the questions that come to mind.

It is obvious that Orinda must establish a Civil Defense Sub-Council, like those that have been set up elsewhere in this general area. The county will give help and guidance — but much of the work and responsibility must be that of the people of Orinda.

After all, it's a question of saving lives. Does that sound too somber? We don't think so. We believe that prompt and effective action for civil defense here will be a basis for hope.

But it's up to all of us — organizations and individuals.

# Celebrate 'Y' Sunday at Church

"The greatest need in the world today is . . . the need for true Christian character."

If you attend church Sunday chances are that you will find this statement as part of the message included in your church bulletin.

The message comes from one of the most active groups in Central Contra Costa County — The Young Men's Christian Association.

Sunday is YMCA Sunday, and we should all take note of this organization and its fine work in the place from which it receives its strength . . . the

church.

Why not attend church Sunday with your youngsters. Make it a family affair and learn a little of the dedication of the YMCA in building Christian character into that most important national asset — our youth, which will become the leaders of tomorrow.

Thousands of your friends and neighbors are working for youngsters in Central Contra Costa County through the various organizations of the YMCA.

Show your support by attending your church Sunday — with your children.

# What They Say! . . .

# Recreation vs. Delinquency

The alarming statistics on the increase of juvenile delinquency are causing many an adult pessimist to shake his head sadly and ask the age-old question, "What's wrong with this generation?"

Unfortunately, these statistics merely point out the effects, ignoring the causes. They do not indicate that this age of speed and luxury means a great deal of idle time for these youths. Nor do they substantiate that this free time must be constructively occupied.

Sociologists tell us that teenagers must be given sufficient recreational and creative activity in which to spend their excess energy.

There is a growing movement in the local area to provide facilities for these activities. Much has been done. But is it enough? Do our teenagers have adequate recreation programs?

Here's what some local residents feel about the problem:

MRS. WILLIAM WIGNALL, 128 Overhill Road, Orinda: "Not having any teenagers, I'm not sure. But from all appearances it would seem that they don't have enough recreational facilities."

MRS. JAY D. MORRIS, 3247 Rohrer Drive, Lafayette: "I have a teenage son, and my answer is 'no.' He has to go to Walnut Creek for skating, for instance, and there are no bowling alleys here, either. I don't think a teenage club would solve the problem, as my son belongs to a club at Acalanes High and they still don't know what to do or where to go."

MRS. DONALD ALEXANDER, 6 Ramona Drive, Orinda: "As far as I know, the recreation facilities are inadequate. I think, however,

that the new Teenage Club will be a big help. Kids like dancing and sports, and these club activities should keep them interested."

MRS. JOHN LAVALLEE, 1062 Orchard Road, Lafayette: "I think we could use more facilities for teenagers here. Of course, the Boy Scouts and Girl Scouts take care of the younger children, and I think that the Community Center Youth Building will solve the problem for the teenagers."

MRS. MARTHA GELLTER, 2354 Dora Drive, Pleasant Hill: "I don't think there is any such thing as enough supervised recreational activity for teenagers, but, I do think that there is too much unsupervised recreational activity for the teenagers around here."

THOMAS K. WESTACE, 198 Tremont Avenue, Walnut Creek: "I haven't had an opportunity to study the matter at all, but, I think that the high school and recreation district seem to be doing a good job of it."

ROBERT T. SPRAGUE, 58 Tina Drive, Pleasant Hill: "There seem to be a good many dances and social activities and the boys seem to have about every sport under the sun on the school program. I think that recreational facilities in this area are excellent."

MRS. L. HIRAM BEAUTANE, 3357 Jones Road, Walnut Creek: "My children grew up in Southern California, so I really can't judge this area at all, but, when I go by the park there always seems to be some type of activity going on during the nice weather. I think the teenagers have a well organized and supervised program as far as I know."

# Pastor Speaks On Alcoholism

Central Contra Costa Mental Health Association members heard Rev. George W. Ridgeway, pastor of the Holy Trinity Church in Richmond tell about "The Road Back," last week.

Rev. Ridgeway is the chairman of the Committee on Alcoholism and Alcoholism of the Diocese of California.

Chairman at the meeting was Rev. Wilfred Hodgkin, pastor of St. Paul's Episcopal Church and board member of the Mental Health Association.

The program was held at St. Paul's.

# Women to Hear Supervisor

Contra Costa County committee and group leaders of Farm Bureau Women will convene next Friday at 10 a.m. in the Martinez 4-H Clubhouse at the intersection of the Relief Valley and Alhambra Valley Roads. It is two miles north of the Arnold Highway and Alhambra Valley Road intersection. Mrs. Harry Hobbs, county chairman, will officiate.

Alhambra Valley unit with Mrs. Ray Taylor chairman, and Rodeo with Mrs. James Dennis as chairman will prepare and serve the luncheon.

Mrs. Mary Ryon Williams and Miss Anna M. Pleasant, county home advisors from Pittsburg, will present projects on home economics and 4-H respectively.

# Here Are More Gems By Those Frank Panelists

By DOROTHY PATTERSON

HERE ARE SOME MORE GEMS from our recent PTA-sponsored panel discussion on "What Children Think About Adults."

With Dr. Patrick Sullivan as moderator (he's a Ph.D. in clinical psychology), the panel consisted of three fifth graders and three sixth graders.

With regard to punishment, one panelist said, "There should first be a warning, then it should get a little worse. After that, children should really get it." (Yeahhh!)

TV played a large part in the discussion, naturally, but they were not agreed as to its importance.

With regard to education programs: "Well, I guess TV is pretty important today but generations ago men like Einstein had to read a lot and learn a lot, so I guess they really were better educated."

And looking at the moderator, this panelist added, "No offense." Briefly they discussed TV as being a good outlet, one reason being: "Parents don't have time to help build 'do it yourself kits' and we can't do it ourselves" (neither can the parents, Son) "so, we have to do SOMETHING."

# A parent got in a word

A parent asked the question: "Do you think often of the children in the world with less than you?"

The panelists agreed that parents should remind their children of these facts and often, especially "on the days when things aren't going along so smoothly." (And we all know how smoothly youth floats along, don't we?)

About playing with younger children occasionally, the panel felt that: "Yes, but it isn't as much fun . . . It is right to be considerate of the little ones and show them a good time . . . Sometimes they sure are pests!"

They agreed that "parents should help their children entertain their little guests and show them how." (Naturally.) "Brothers and sisters should leave little visitors to have fun alone with those who invited them." (Again naturally. But how do you get it to work?)

# And about secrets . . .

The children believe that parents do indeed keep the children's secrets. (True.)

They felt that children should do likewise for their parents. (I do, too; but apparently my kids disagree.)

There should be many more such meetings, because I truly found this one most enjoyable and broadening (the refreshments were delicious).

It is too bad that more parents did not attend and take advantage of the opportunity, to peek into the minds of our youngsters, who really do understand us far more than many of us realize they do.

Why, one little person had deigned to make the ultimate confession that "If it weren't for our parents, some of us wouldn't even be here."

# Letters to The Editor

You are to be congratulated on your very good and timely pictures and write up of the Sacramento Northern Railway.

It is about time someone recalls the good old times when the S.N. R.Y. used to run three-car trains from Pittsburg to San Francisco. A very good set of pictures demonstrating that some one in your paper must be a railroad hound.

Most people have at one time or another seen those strange looking crosses between the Key trains and a truck, running along the road or just setting in Walnut Creek!

WHILE CERTAIN cities wish to abandon this line in favor of another road, these electricians must think it strange that so many people would come here. People who would want another road should stop and think that the SN was here before anyone even worried about card rooms or freeways more likely the people worried over whether the ducks would return to the "Gardens" this winter.

It is more important that more people come to know the plight of this up-to-date line.

Even better signals than the S.P. with a top flight roadbed and good connections with the Western Pacific.

IT IS TOO LATE to regret that the line no longer operates a passenger service (though badly needed) nor even to regret the impending abandonment of the Oakland part. But if city officials start talking about abandoning the Walnut Creek branch or maybe the whole line on this side of the river, how are we going to be able to get industry out here without proper rail service.

As everyone knows Walnut Creek needs more trucks, the real big ones, going down its main street! This line is every helpful during the walnut seasons and generally bringing in building needs. It doesn't stand still but is being dieselized, now better service.

Keep up the good works—with a little more research I think you might find some good stories on the first electric in the area and one of the best.

Please send me the addresses of the railroad fans in this area.

Your truly  
BOB GIBSON

(Editor's note: president of the Diablo Valley Lines, Model Railroad Society, is John McKirahan of Lafayette.)

# ABOUT BYPASS

Dear Editor:

Can you clear up the mystery of why work seems to have come to a stop on the Lafayette Bypass? The contractor's heavy equipment has disappeared and no men can be working morning or evening.

The afternoon traffic is now so heavy that it takes from 20 to 30 minutes to creep the four miles from Orinda to Lafayette. The 27,000 regular travelers each work day must all be wondering how much longer they will have to put up with the congestion; certainly a good many of them are fed up with it.

The Sun has done its best to keep us posted on the completion date, which seems to vary from March 1 to July 1. Wasn't the latest estimate May 31?

Undoubtedly the contractor has many little things to work on which are inconspicuous from Mt. Diablo Boulevard. Possibly he is working as fast as he can.

However, if it were fully realized how much discomfort is being caused by the delay, isn't there a possibility the job would be speeded up?

JOHN E. MCKIRAHAN

Dear Editor:

I am writing to voice my objection, in the strongest terms, to the inclusion of any property tax to support the construction, operation, or maintenance of a transit system in the San Francisco bay area (9 count or 2 county). A transit system cannot be supported by its users then it cannot be justified to be of public benefit or economically practical.

Action of the legislature to place the Alameda-Contra Costa County transit district proposal before a completely uninformed public was, in my opinion, a very serious error. . . .

Sincerely,  
RICHARD MITCHELE  
Walnut Creek

Dear Editor:

The Board of Directors of Mt. Diablo Therapy Center, have requested that their sincere appreciation be extended to you for your many kindnesses and consideration to the auxiliary groups and our Publicity Committee in the past.

We appreciate the difficulties and inconveniences encountered in many of your assignments in connection with the center and we trust through our experiences that we may be able to eliminate many of these and that you will continue to work with us and enjoy the contact with our staff.

Your participation in presenting our center to the community is a contribution that cannot be measured in any manner.

Sincerely yours,

# Commuters, Why Not Buy A Helicopter or a Bus?

By HERMAN SILVERMAN

"Mrs. Commuter's Wife, is your husband late for dinner almost every work night? Is he tired and irritable? Does he gnash his teeth every morning as he leaves for the commute over the hills?"

"Yes, indeed, folks, if you suffer from those ailments, why not buy a new helicopter? Or a new freeway? Or a luxury bus? Call us immediately after this program and we will be happy to arrange easy terms."

End of commercial. Supposed to be funny! But commuting now days isn't too funny, is it?

I've just received a report from John McKirahan, one of our commuting observers. John, former president of the Commuters Association, explains that the commute from Orinda to the Tunnel or vice versa is okay. But if you live beyond Orinda, it's getting tougher and tougher.

# Quick, pass the aspirins

The headache stretch now is from Orinda through Lafayette, approximately 4 miles. A few years back this could be covered in a few minutes. But, according to John's chart of driving time, it took an average of 16.66 minutes during the week days of November to drive from Orinda through central Lafayette at about 5:30 p.m.

The shortest time was November 9 — 10 minutes; the longest was November 21 — 23 minutes. He also has figures for December; the low was 14 minutes and the high was 26 minutes.

No wonder commuters are most anxious to get the Lafayette By-Pass open as soon as possible.

# Here's an Idea for us

The New York Times carried some interesting data on a new commuter bus service. I think you'll be interested:

Going to work would be a pleasure if everyone could commute in the style offered by Chicago's "dream bus." It is expected to go into service soon.

South Suburban Safeway Lines will operate the bus on a 31-mile, non-stop run between downtown and Park Forest, a suburb that has grown to 30,000 in eight years. Four trips a day are planned.

Seats will be reserved. Each will recline and have foam rubber cushions. The floor is carpeted, the walls are papered and the windows have draw draperies. A large mural brightens the interior.

Two electric razors are available for those who have no time to shave at home. The rider may help himself to hot coffee or orange juice. Lockers provide space for other liquid refreshments, but not liquor.

# What! No dancing girls!

The Commuter can watch television, read his newspaper or play cards at one of the four card tables. In summer, air conditioning will keep the temperature comfortable.

The bus will be chartered by the Park Forest Commuters Club. The vehicle has seats for 44 passengers instead of the usual 51 for its type. No one will stand.

The fare will be \$23.40 a month for a five-day week. This is a premium rate, about \$1.40 a day for a round trip. But it is not much higher than the company's fare on regular buses. The regular fare is approximately \$1.20 a day when the commuter buys a 12-ride ticket.

However, most Park Forest commuters ride the Illinois Central Railroad, which charges \$17.75 a month and is seeking a 36 per cent increase. Local bus fare to reach the railroad station costs \$6.60 a month.

Well, what do you commuters think?

# Come, join in the fun

Another reminder: Youth baseball clinic Sunday, 1:30 at Las Lomas High, sponsored by The Sun and Sports and Games. Big leaguers will be featured. Another clinic is scheduled for Sunday, February 10 at Acalanes High.

Remember — The Sun's Father-Kius Basketball Night next Friday night at St. Mary's College. See stories up front. That is all.

# Promise Help in Safety Campaign

Representatives of leading industries met with officials of the Contra Costa Safety Council at the home, both to children and its Concord headquarters Thursday.

Loss of time on the job from a father called home due to an emergency resulting from a home accident to his wife or children the Council, gave a brief resume was also brought to the group's of the history of the Council and attention.

Captain Russell R. Magill, commanding officer, Contra Costa County Highway Patrol, endorsed the past year and stressed the try's cooperation with the Safety Council and cited the mounting menace to a few basic home safety traffic problem in the county.

MR. AND MRS. PETER A. ST. HILL are shown leaving St. Stephen's Episcopal Church, Orinda, after their recent wedding. The groom is the son of Mr. and Mrs. Thomas Nast St. Hill of Orinda. The bride is the daughter of Mr. and Mrs. Charles Leroy Butler of Lafayette. The newlyweds are now residing at Laredo, Texas, where Peter is stationed with the Air Force.

## How It's Done at Juvenile Hall is Told to Diablo PTA

Mrs. T. W. Marsten, juvenile protection chairman of Mt. Diablo Council of PTA at the January meeting introduced a panel of three persons who discussed the care of juveniles brought to the attention of the court.

They were John Davis, Contra Costa County Probation Department; Donald Morrison, superintendent of Juvenile Hall, and Mrs. Barbara Nicholson, volunteer services director of the Juvenile Hall Auxiliary.

Davis said that the Probation Department investigates all new cases which are brought before the Juvenile Court on petition, and furnishes reports and recommendations to the court for each individual delinquent or neglected child.

**THE REPORTS** contain the reasons why children are brought before the court, plus a complete social history. Each recommendation includes a plan based on the child's individual needs.

Children who are declared wards of the Juvenile Court are placed in the care of the Probation Officer.

About 75 per cent continue in their own home, and about 25 per cent are placed in foster homes and private institutions.

The primary function of the deputy probation officer is to counsel with these children and their parents. There are 1711 children under supervision as of the present.

About 500 are placed in foster homes and private institutions under the supervision of the department's placement division.

Davis thanked the PTA units of the county who contributed \$3 per unit in 1955 and 1956 to a PTA welfare fund for special needs of court wards. This fund of \$194.50 was used for 10 campships, books for a special school for one boy, and a bicycle for a boy to maintain a paper route.

## January Named Tanager Paper Collection Month

At its recent meeting at the home of Mrs. George Eberhart, the Tanager Unit of the Mt. Diablo Therapy Center designated January as one of its newspaper collection months.

Mrs. Carl Rasmussen Jr., chairman of the newspaper drive, is asking that all local residents take their pre-bundled newspapers to Fire House No. 1 in Orinda Village, which serves as the collection center.

Mrs. Rasmussen has pointed out that not only do the proceeds from the sale of the newspapers serve in the unit's work in behalf of the Mt. Diablo Therapy Center, but also they encourage good fire prevention practices in and about the home by keeping to a minimum such combustible materials.

In the event any resident finds it impossible to deliver the newspapers to Fire House No. 1, it is requested that he contact Mrs. Rasmussen, CL 4-3001, if he lives on the Village side of the Crossroads, or Mrs. Robert Betten-court, CL 4-3496, if he resides on the Moraga side.

Arrangements will then be made for Tanager members to pick up the newspapers this week-end.

## Jewish Women Card Party to Benefit Center

"Come Play the Queen," will be the theme for the fund raising luncheon - card party of the League of Jewish Women February 15 at the Jewish Community Center in Lafayette.

A cocktail hour from noon to 1 p.m. will precede the luncheon, which is being planned by La Maisonette of Lafayette, who will cater it.

The balance of the afternoon will be spent in playing cards and other games.

Mrs. Harry Freeman and Mrs. Maury Collen, both of Walnut Creek, are co-chairmen for this event. Assisting them will be Mesdames Arthur Schallach, David Zuckerman, Herbert Martin, Don Sterns, Sidney Ross, Sam Also Mesdames Sy Sherman, Tauer, Harry Kasden, David Spellman, Harold Siner, Nathan Pinkus, Mervin Silberman, Leon Cohen, Sidney Lifton, William Weinstock, Harry Delmont, Paul Hersh, Ben Brudney, Hy Wiseman, Joe Katzburg and Harold Roth.

The funds raised will be used for the further improvement of the Community Center Building, which was purchased four years ago by the Jewish families residing in Central Contra Costa County.

Tickets are available at \$2.35 each from Mrs. Harry Freeman,

## Art Center to Take Coffee With Culture

Mrs. Kerry Keresey heads the committee arranging for the Orinda Art Center's Morning Coffee with Culture next Friday at 10 a.m. at the Ted Harner home, Seven Oaks Circle, Orinda.

Other board members assisting Mrs. Keresey include Mrs. Kirk Miles, Spencer F. Archer and John Ratcliff.

A panel discussion will be held with Burdette Fitzgerald, explaining drama, Elton Davies, art, and Linda Hickox, modern dance.

Sign-ups for each of these classes will be held next month—drama and art for children in fourth through eighth grades.

Mrs. Boone Robinson heads the committee in charge of the drama classes. Mrs. Carleton Moore, dancing, and Mrs. Ben Olsen the Saturday morning art classes.

Registrations close this Wednesday for the new classes.

The course is sponsored by the Pleasant Hillbilities and the Gregory Gardens Parents Club.

No knowledge of square dancing is required to enroll in the course. The instructors will be Ray and Marge Vierra, callers of the Pleasant Hillbilities. For information call MU 5-8880.

## S. F. Symphony to Arrive In Walnut Creek Sunday

By MRS. D. W. CARLSON Do you remember when you were a child, getting up early to watch the circus unload for its performance under the big top in the afternoon?

This Sunday another great company will be unloading off Main Street, Walnut Creek, for a great performance that afternoon under the "big top" of Las Lomas High School.

The entire 96-member San Francisco Symphony Orchestra will play at 2:30 p.m. in the first of the Central Contra Costa County Concerts series.

HOW DID this become possible when it costs \$6,000 to bring the symphony to our Diablo Valley?

TWO YEARS ago two Walnut Creek mothers, Mrs. James Perry and Mrs. Charles Price dreamed of bringing to the children of this area fine music at a minimum price.

They assembled a like-minded group to be the board of directors and launched their first season last year with the S. F. Symphony, Dave Brubeck, The College of Pacific concert band, and the San Francisco Boy's Chorus appearing in concert.

Again this year, these same people, serving without fee, have engaged another four groups at the same small price of \$3.50 for all four concerts. Financial help comes from the

## Sun Society Paganini Quartet Will Play At Acalanes, Thursday Eve

The Paganini Quartet, which will be heard Thursday at 8:15 p.m. at the Acalanes High School as a Community Concert program is a dramatic reunion of famous musicians and legendary instruments, say Association members.

The artists are Henri Temianka, Gustave Rosseels, Charles Foidart and Lucien Laporte. Their instruments are four fabulous Paganini Strads, reassembled after a century of dispersal following Paganini's death.

IT IS FROM THESE instruments, made by Stradivarius more than two hundred years ago and at one time the most cherished possessions of the famous virtuoso, Nicolo Paganini, that the Paganini Quartet takes its name.

Heralded as a "great quartet born on American soil," it has been greeted with great interest. The first appearance of the quartet was in 1946 at the Library of Congress in Washington in a series of six concerts, after which it scheduled four concerts at the University of California at Berkeley and followed with a series in New York.

Last year the quartet gave 90 concerts in the United States alone. The four members of the quartet share the same traditions: HENRY TEMIANKA, the first violinist, studied and lived in Belgium. He is cosmopolitan having been born in Scotland of Polish parents.

Gustave Rosseels, second violinist is a Belgian and has taught at the Royal Conservatory in Brussels.

Charles Foidart, violist, is also a Belgian.

Lucien Laporte, cellist was born in Belgium and trained both in Europe and America. All members of the quartet are married and live in Los Angeles.

The concert is open to members of the Acalanes Community Concert Association. Anyone desiring information on how to become a member may contact Mrs. Gray, YE 4-2537.

## Miss Nodder Sets Date For Wedding

Miss Jane Nodder of 2030 Strand Road, and James Klick of Overlook Drive, Walnut Creek, will be married on April 13 at the Walnut Creek Presbyterian Church.

The announcement came in a surprise party held Saturday evening for their families at the Bernard Meves home in Oakland. Their engagement was announced several months ago.

Co-hostess Marge Meves will be one of the bridesmaids. Jane is a graduate of the University of California with a degree in speech, and is working in the office of Dean of Students there.

James is attending Oakland Junior College.

Parents are Mr. and Mrs. William R. Nodder and Mrs. Ida Klick.

Arlene Ludricks became the bride of Robert Young last Sunday at a 2 p.m. ceremony at the Concord Methodist Church.

The bride wore a white lace, net and satin gown with a finger tip veil and carried a bridal corsage of orchids and white carnations.

Shirley Ludricks, Arlene's aunt, was maid of honor and Barbara Westbrook and Louann Rendelman were bridesmaids. All three wore coral chiffon ballerina gowns and carried corsages of green and white carnations.

Danny Young the groom's brother, was best man and Herb Ludricks and Art Lawrence were ushers.

Mr. and Mrs. George Ludricks of Folsom Drive are the parents of the bride.

Mr. and Mrs. Robert Young of Martinez are the groom's parents.

Following the bridal ceremony, a reception for approximately 100 people at the home of the bride's parents was held. Myrtle Chambers and Shirley Rose presided at the punch bowl.

## Lafayette Pupils Relate Feelings Regarding Adults

Members of the 5th and 6th grades at the Lafayette School revealed "What Children Think About Adults" at a meeting recently of the school's PTA.

The children voiced their opinions as members of a panel conducted by clinical psychologist Dr. Patrick Sullivan.

Symphony Foundation, but the sale of tickets is the other necessary means of raising enough money to pay the costs.

The concerts will be on Sunday afternoons, making attendance by the entire family easy. Each will begin at 2:30 p.m. at Las Lomas High.

The University of California Glee Club and Treble Clef Society will sing on February 24, the Celeste Ballet, San Francisco, made up of youngsters from 7-17 will dance on March 31, and the Berkeley Youth Symphony will play the final concert on April 28.

Tickets are on sale at all music stores in Walnut Creek and at Earl's Music Store in Concord or through any board member. See you all at the concert Sunday afternoon.

## Poplars to Hold Parade Of Pastels

Advance spring styles, including forecast designs from famous couturiers, will be modeled at Orinda Country Club when Poplar Branch of the Children's Hospital of the East Bay presents "Parade of Pastels," its annual luncheon and fashion show next Wednesday, at 12:30 p.m.

Mrs. Rollin Moore, in charge of decorating for the event, and Mrs. Charles Coburn, general chairman, assure the guests a delightful afternoon as the models parade among tables adorned with pastel spring blooms.

Reservations for the hospital benefit are being made through Mrs. Robert J. Pedder of Lafayette, or through any member of Poplar Branch.

## Miss Allison Will Marry

Col. and Mrs. Harold Allison of 21 Santa Rita Drive, Walnut Creek, have announced the engagement of their daughter, Audrey, to James Waggoner, a graduate of Oregon State College, Corvallis, where the couple met.

Audrey recently returned from a trip to Long Beach where she was entertained by her future husband's parents, Mr. and Mrs. Curtis Waggoner of 450 West 20th Street.

The couple also attended pre-Rose Bowl game parties with her sorority sisters and his fraternity brothers in Pasadena.

She graduated from Lowell High School, San Francisco, in 1954, and was a member of Pi Beta Phi at the Oregon State College.

Jim graduated last December from the college. He was a member of Sigma Alpha Epsilon fraternity, and an alumnus of Albany High School, Albany, Ore. The wedding date has not been announced.

## Auxiliary of Dental Society To Meet Today

The Women's Auxiliary of the East Bay Dental Societies will hold a buffet luncheon at the Hotel Claremont in L'Horizon Room, today.

Program chairman, Mrs. William Sheeran will present Mrs. Wilma Wright, instructor of "Charm" at East Contra Costa Junior College.

Mrs. Wright's topic will be "What Is A Colorful Personality?"

Hostesses of the day are Mesdames W. H. Hanford Jr., Lyle Bishop, James Seaman and Donna Hamlin.

Mrs. Lee Winters will carry out the "Charm" motive in her decorations.

### University Women Will Hear School Authority

Dr. Katherine V. Bishop, curriculum director for the Walnut Creek schools, will present the second of two reports on the education of gifted children in the public schools, Wednesday.

She will speak at the invitation of the Education section of the Walnut Creek Branch of the American Association of University Women, an organization whose primary concern, nationally and internationally, is progress in education.

Dr. Bishop will explain the current program of the Walnut Creek school system designed to enrich and supplement the education of the more able child. She will also

lead a discussion on programs for exceptional children in other areas.

This meeting will be held at 8 p.m. in the home of Mrs. T. W. Marston, 2641 Oak Road, Walnut Creek. It is open to all AAUW members.

Nineteenth century composers will be the study subject of the music section meeting at 8 p.m., Monday.

AAUW members will demonstrate by performance and by records the great music of this period. Mrs. D. O. Hagen will be hostess for the group at her home, 931 Jeffrey Lane, Walnut Creek.

### Tri-Deltas to Fete Mates at 'Circus Tent'

Tonight promises to be one night that husbands will not be indifferent to women's activities. The Tri Delta alumnae members are turning the Rockridge Women's Club in Oakland into a circus tent for a gala evening of fun with the man of the house.

Cocktails will be served from 6:30 to 7:30, followed by a man-sized buffet supper, dancing, and a variety of entertainment.

Howard Leggett and Robert L. Flournoy will be the circus ringmasters.

Entertainment plans are being made by Mrs. John Polos, Mrs. John S. Lewis, Mr. and Mrs. Donald Barnes, Robert Stice and Robert Geyer.

The Hospitality and "Get-Acquainted" Committee consists of Mr. and Mrs. Will C. Hall of Lafayette, Mr. and Mrs. Merritt Roberts, Mr. and Mrs. W. V. Wallace and Mr. and Mrs. William Cumemford.

Working on the General Arrangements Committee are the Mesdames Maury Hall of Orinda, Clyde Wilson-Reid, T. Burke Healy, T. R. Webster Jr., Clinton Andrews of Castro Valley, Talbot Bailey, Fred Russell, Paul Bradley Jr. and Robert Geyer.

### Model Class Graduates to Show 'Latest'

Mrs. Robert McBlaine, model and fashion chairman of the fashion show and luncheon "Suddenly It's Spring," to be held at the Diablo Country Club, February 14, stated that 15 members of the Immaculate Guild of Saint Mary's Church, Walnut Creek, have volunteered to model the latest in spring fashions.

The following models who have been attending a modeling class are just about ready to qualify as professionals: Mesdames Donald MacLean, Frank Sharkey, Robert McBlaine, Harvey Woodmansee, Frank Collum, Frank Kromka, Cecile Paganini, William Sheeran, Elmo Giulieri, E. F. McKenney, Howard J. O'Neil, Robert Mueller, Robert Geffel, Marie Marshall and Dennis Reed.

They are being trained by Mrs. William Sheeran, fashion show coordinator. They will expertly model fashions by the Clothes Horse, hats by Hazel, Furs by Hazel, hair styles by Goldman's Beauty Salon, all of Walnut Creek and makeup by Teddy Reuter, beauty counselor.

Tickets are available from any member of the Guild or ticket chairman Mrs. Marie Maser at YE 4-4742 and Mrs. Robert Murray at YE 5-5209.

### Orinda CC to Host Flower Fashion Show

It will be tulip-time at the Orinda Country Club February 6, when members of Chiquapin Branch, Children's Hospital of the East Bay, decorate the club with masses of tulips for their annual spring fashion show and luncheon that day.

"In addition to large displays of Holland's national flower, delightful miniature tulips in colorful little cups will decorate individual tables," announces Mr. C. Russell Rees, who is co-chairman with Mrs. Mervyn C. Abbott of the event.

Fashions by one of Berkeley's leading clothiers, Roos Bros., will be modeled under the direction of Mrs. Thomas C. McLaughlin.

The attractive array of models from various branches includes Mesdames Stanley Colberson, Lloyd Van Dorn, John R. MacGregor and Leland Case of the sponsoring branch; Lloyd E. Kindall Jr. and David E. Fink of Laurel Junior Branch.

Richard P. Hiscox and Francis Aebi Jr. of Acorn; Austin L. Edwards of Cypress; Robert Warner of Cottonwood; William Keating of Lombardy; Robert K. Chalmers and Hy Tessler of Hilltop; Sheldon Taylor of Acacia; Stanton W. Lore of Azelea, and Jack Turman and Mel Nielsen of Walnut Branch.

Tickets are \$3.50 and reservations for the 12:30 p.m. hospital benefit may be made through Mrs. Arnold B. Lahti, LA 5-0888, or any member of the branch.

### Juniors Hear About Braille Class System

Miss Jeanne Kenmore, now teaching in the Emerson School in Berkeley, addressed the Walnut Creek Juniors at their social meeting last week, on "Integrated Braille Classes in Public Schools."

Motion pictures of the visually handicapped in classroom situations were shown.

A running commentary by Miss Kenmore gave a clear picture of the training procedures.

The need for such classes in the Walnut Creek School District is great at this time since there are now enough children in East Contra Costa County to make up such a class, she said. These children now attend school in Berkeley.

Miss Kenmore explained that these children are in a "normal situation" being educated with sighted children and it therefore prepares them for adult experiences in the sighted world where it's necessary to compete with sighted people.

Mrs. O. E. Boslar, president of the Women's Club of Walnut Creek, said progress is being made in the campaign for a much needed new library in Walnut Creek.

The Walnut Creek Library is now serving 12,000 borrowers. It was originally built to serve 1000. Mrs. Boslar urged the community and surrounding area to support the membership drive in the near future and thereby enable us to attain a library commensurate with the ever-increasing needs of Walnut Creek.

### Lafayette Jrs. to Fete Senior Club

A social evening honoring the Lafayette Suburban Women's Club is being planned by the Lafayette Suburban Juniors for next Thursday, 8 p.m., in the Lafayette School Auditorium.

## Therapy Center To Emphasize Speech Training

Service to both children and adults who need help to overcome minor or serious speech defects will be given increased emphasis in the 1957 program of the Mt. Diablo Therapy Center now located at 100 Golf Club Road, Pleasant Hill.

According to the Medical Advisory Committee of the Center, special attention will be afforded not only to adults who need help to overcome stuttering but also to individuals who have other speech disorders and who are referred for treatment of these disorders by their own physicians.

During the past year, services of the speech therapy department of the Mt. Diablo Therapy Center have been available to a large number of individuals with speech defects.

**SPEECH THERAPY** is basically the treatment of defects and disorders of speech and voice due to various physiological or other causes.

Approximately 1200 patient treatments were given by the speech therapist during the first ten months of the year and an average of about 30 different patients were given individual attention each month.

In connection with this work at the Mt. Diablo Therapy Center Lucie Lawson, Ph.D., Consultant on Speech and Hearing Services said:

**WHILE PHYSICAL** and occupational therapy for patients with orthopedic effects constitutes the greatest portion of the work done at the Mt. Diablo Therapy Center, we find that there are many people who need the services of speech therapists to help overcome personal handicaps resulting from various other types of speech disorders.

Adults who stutter are often psychologically and otherwise handicapped in their daily lives, and yet assistance can often be given these persons to help overcome their disability.

Treatment of these disabilities at the Mt. Diablo Therapy Center is undertaken only upon referral by and with consultation of the patients physician and frequent careful progress reports are made to him by the therapist at the Center.

**THE NEW \$150,000** Mt. Diablo Therapy Center plant, which has recently been constructed almost opposite East Contra Costa County Junior College in Contra Costa County, was opened for the treatment of patients in mid December.

It was moved from rented quarters in Walnut Creek to the new plant so that more space might be available for the Center's expanding volume of service.

Voluntary contributions support the major portion of this work for the rehabilitation of the handicapped.

## Volney Howard Advances to VP

Volney E. Howard Jr. of 51 La Cuesta, Orinda, has been elected vice-president of Industrial Indemnity Company, it is announced by K. K. Bechtel, chairman of the board. For the past four years Howard has been manager of Industrial Indemnity's San Francisco Division, and he will continue to serve the company in that capacity.

Howard entered the insurance field in 1935 with the national brokerage firm of Marsh and McLennan, and in 1942 he joined Industrial. His business career was interrupted temporarily during World War II, when he served in the United States Navy, returning in 1946 to Industrial Indemnity Company as an underwriter in the San Francisco Division.

Mr. and Mrs. Howard have three sons. Howard is active in Contra Costa County Boy Scout affairs. He is a member of the Bohemian and Merchants Exchange Clubs of San Francisco and the Orinda Country Club.

## Clipper Club Meets Tonight

The next meeting of the Clipper Club will be held tonight at 8 p.m. at the home of Mr. and Mrs. Sidney Anderson, 765 Old Jonas Road, Lafayette.

The program will be the installation of new officers for 1957. Mr. and Mrs. R. O. Monosmith are going out as past skippers. Mr. and Mrs. Everett Howe are to be the new skippers for the coming year.

## Christian Science

Availability today of the healing power of divine Truth will be emphasized at Christian Science services Sunday.

Christian Science churches in this area are located at 22 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek. The Christian Science Society of Pleasant Hill holds its services at the Hillcrest Congregational Church on Gregory Lane.

Christ Jesus' healing of the "woman which had a spirit of infirmity 18 years, and was bowed together, and could in no wise lift up herself" (Luke 13) will be among the Scriptural passages read from the King James Version of the Bible. The subject of the Lesson-Sermon will be "Truth."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among those read (495:1):

God will heal the sick through man, whenever man is governed by God. Truth casts out error now as surely as it did 19 centuries ago. All of Truth is not understood; hence its healing power is not fully demonstrated."

## Camp Fire Girls Council Names New Officers

Dick Rockwell of Lafayette has been elected president, and a new 1957 slate of officers and directors has been named for the Diablo Valley Council of the Camp Fire Girls, it was announced recently.

Assisting Rockwell will be Dave Gilbert, vice-president; Barbara Davenport, secretary; Dean La Field, treasurer; and Elva Priestley, corresponding secretary. All are from Lafayette.

The new Board of Directors includes outgoing President Bill Barber and Virginia Wynne of Walnut Creek; and Dorothy Jensen, Ruth Bishop, Marrietta Capra, Claribel Shideler, Mrs. J. B. Harbuck, Alice Vonder Lieth and Alex Troffey of Lafayette.

The first meeting of the new officers and directors was held yesterday at Las Lomas High School.

A membership drive for the Diablo Valley Council, which includes the communities of Walnut Creek, Lafayette, Orinda, Danville and Alamo, was discussed, as well as plans for the Camp Fire Girls' annual candy sale, which begins next Friday.

## Parish Status Applied for by St. Stephen's

Application for parish status was voted by the congregation of St. Stephen's Episcopal Church, Orinda, at its annual meeting on January 15. At present the church is a mission.

Present to preside over the organization of the parish as the representative of the Rt. Rev. Karl Morgan Block, Bishop of the Diocese of California, was the Rt. Rev. Henry Shires, Suffragan Bishop of the Diocese.

Under his direction the vote on parish status was taken and the first vestry of 12 members was elected. The application for the change will go through the formality of ratification at the Diocesan Convention in San Francisco at the end of January.

Elected to the vestry for a one year term by the congregation were J. Morris Browning, Walter E. Christie, Fred S. Evans, and Nelson Munson.

Two year terms were voted for E. W. Fallentine, A. B. Johnson, Kendrick Morrish and Jack Rands. Three years of service will be given by William Arends, William Elfinger, Dr. A. C. Hollister and David Jones.

As a mission the temporal affairs of St. Stephen's are supervised by Bishop Block and a committee appointed by him from the congregation. At the meeting the congregation also elected delegates to the diocesan convention, three to be seated while St. Stephen's is still a mission, and an additional three to serve after parish status has been granted.

Elected as mission delegates were Mrs. M. G. Horgan, Walter E. Christie and Fred S. Evans. Joining them as parish delegates will be James Buxton, David Jones, and M. G. Horgan.

Alternates chosen as mission delegates were Mrs. B. W. West, Captain H. W. Pillsbury and Dr. A. C. Hollister. Alternate parish delegates are Stanley Stidham, Frank Cayting and Forrest Bryant.

## Bright Lights Blind Dad, Mom to Babysit Dangers

Contra Costa parents take good care of their children, but when the bright lights and music await them in the evening, many will leave the youngsters with a stranger — without checking references — or with a teenager perhaps too immature to react in an emergency.

This is the conclusion of the County Sheriffs Department, which in the January newsletter warned both parents and babysitters.

The letter said, **"OF INCREASING** concern to all law enforcement agencies are the avertible incidents that occur when children are left with baby sitters."

"Many criminal occurrences could and would have been avoided had parents followed basic rules . . . by your Juvenile Control Bureau."

Here are the things which parents should remember:

1. Never hire a baby-sitter who cannot furnish references, which should be checked by you before employment.

2. If the sitter is not a close acquaintance, for mutual satisfaction to preclude any misunderstandings, arrive at a written agreement as to wages and hours of employment.

3. Instruct sitter specifically as to what you expect her or him to do.

4. Check with sitter, before leaving, that the doors and windows are locked, and that the sitter has been shown the location of the telephone under which you have placed a telephone number at which you or a close relative can be reached immediately in case of an emergency and the telephone numbers of your doctor, Sheriff's Department and Fire Department.

5. Show sitter how to use appliances, such as the television, so that inadvertent harm to your property can be minimized.

6. Warn sitter that you allow no guests, if possible, and in the event the sitter wishes to share her employment with a friend insist that the friend be of the same sex.

7. Formulas or food for young children should be placed in a conspicuous place either in the refrigerator or the kitchen with written instructions as to when and how it should be served.

Snacks for the sitter should be prepared and also be conspicuously placed.

8. Secure the approval of parents if you employ individuals under 18 years of age. A moment

spent personally contacting the parents of a sitter may affect your decision as to their employability and vitally affect the welfare of your children.

And babysitters, here are your instructions:

1. Your job is to assume the full responsibility for the safety and welfare of your employer's children. This requires you to check at frequent intervals to see that they are safe. If the youngsters are awake do not leave them unsupervised even for a few moments.

If they are asleep check to see that they are properly covered, at frequent intervals.

2. Under no circumstances open the door to strangers, even though they claim to be friends of your employer or represent themselves to be employees of public communications or public utilities.

3. Under no circumstances should you leave the premises of your employers unless you are properly relieved of your duties.

4. Try to leave the home of your employer as neat as when you arrived and limit the food consumed to that prepared for you.

5. Be sure that you have checked beneath the telephone, before your employers leave, that they have left a phone number at which they can be reached. If possible also have them give you the telephone numbers of their doctor, the Sheriff's Department

and the Fire Department.

6. If you are a minor be sure that your parents approve of your employment and know where to reach you and what time you expect to return home.

## Annual News Institute Will be Held at ECCJC

The Sixth Annual Newspaper Institute sponsored by the Contra Costa Junior College District and the Contra Costa Press Club has been set for March 16.

The afternoon and evening event will start at 2 p.m. in the new Student Activities Building on the East Contra Costa Junior College campus.

The names of the principal speakers and program plans will be announced by an advisory committee headed by Edgar Allen of Brentwood, president of the Press Club.

Working with him are Al Bean of Richmond, business manager of the Independent, Will R. Sharkey, Jr., publisher of the Contra Costa Times, Drummond J. McCunn and Hal Cheney, superintendent and coordinator of business education respectively, for the junior college district.

## Air Reservists Reshuffle; Welcome New Members

Three administrative changes were announced this week by Lt. Col. William E. Winslow Jr., of Walnut Creek commanding officer of the 9441 Air Reserve Squadron.

Lt. Col. Harlan B. Copsey, 41 Midvale Court, Walnut Creek, has been named executive officer to fill a post vacated by Lt. Col. James Felchlin who transferred to Specialized Training several months ago.

Replacing Copsey as Flight "A" Commander is Lt. Col. Wilfred N. Ball, Jr., 2 Donna Maria Way, Orinda.

**BALL HAS BEEN** Deputy Flight Commander of "B" Flight with the additional duty of assistant reserve information officer.

Major Robert E. Belvis, 3166 Stanley Boulevard, Lafayette, commander of Flight "C" has been given a Mobilization Assignment to Detachment 4 of the 9th Weather Squadron, Travis Air Force Base. He is being replaced by his deputy, Lt. Col. Harry W. Brown, 752 Laurel Drive, Walnut Creek.

Culminating a three month attendance contest participated in by the lettered flights, presentation of the prize will be made during the meeting of January 17 to the Commander, Major Yates S. Blueel, Orinda.

The squadron has welcomed nine new officers and one airman. **THEY ARE** Capt. Burton L. Wood, 3311 Helen Lane, Lafayette, transferred from Non-affiliated Reserve Section; Capt. Melvin T. Edgar, 3436 Wren Avenue, Concord, transferred from 9366 Air Reserve Squadron, Burlingame; Capt. Harold J. Havre, 36 Charles Hill Road, Orinda, transferred from Specialized Training.

Capt. Robert McClurg, 3191 Cor-

dova Way, Lafayette, transferred from San Leandro; Capt. Donald K. Mason, 996 Hawthorne Drive, Lafayette, transferred from the 945th ARS, 1st Lt. Clarence G. Hockett, 28 La Sonoma Court, Lafayette transferred from NARS.

Lt. Joseph H. Walton, Jr., 68 Crest Avenue, Walnut Creek; 1st Lt. Walter E. Naumann, 22 La-venida, Orinda, transferred from NARS.; 2nd Lt. Richard E. Wren, 928 Black Diamond Streets, Pittsburg, also transferred from the 9366th ARS, Burlingame.

And A/3c Joseph H. Lee, 132 Donald Drive, Moraga, transferred from 9542nd Air Res. Squadron, New Cumberland, Pa.

Orders were issued on three promotions within the past period.

William P. Tuggle, 2488 Casa Way, Walnut Creek, and Harold K. Carstensen, 376 North I Street, Livermore, were promoted to Major.

One of the newcomers, Joseph H. Walton Jr., was promoted to 1st Lt. while awaiting assignment to the Squadron, having attended several meetings as a 2nd Lt. while attached.

## Child Guidance Workers to Meet

Child guidance workers, student counselors and others from Contra Costa County will attend a one-day conference of the Northern California Guidance Association February 9 at the University of San Francisco.

Among the participants in the program will be Dr. Floyd Marchus, director of research services for Contra Costa County schools, who will take part in a discussion of liaison and follow-up on students going out to jobs and college.

## Navy Flier Completes Pre-Flight Training

Graduated from the Navy's Pre-Flight School at Pensacola Fla., recently was Navy En. Hugh B. Haskell, son of Mr. and Mrs. Hugh A. Haskell, of 69 Camino del Diablo.

En. Haskell is a graduate of Stanford University.

He is now assigned to the Saufley Field Navy Auxiliary Air Station, also at Pensacola, for primary flight training.

While in Pre-Flight he was instructed in Aerology, Navigation, Principles of Flight and other technical subjects to prepare for actual flight training.

## Tinted light: new beauty for your home and you

PINK YELLOW GREEN BLUE  
Setting by W & J Sloane, San Francisco

Choose one of these flattering colors. Or try them all—to accent the beauty of your home (and you). Wonderful things happen—for instance:

**PINK:** Flatters your complexion . . . brings out hidden beauty . . . makes lipstick, nail polish even more glamorous and exciting.

**YELLOW:** Fills a room with sunlight . . . warm, intimate, gay . . . brings out the warm tones of brass, copper and wood.

**GREEN:** Brings the cool, green quiet of the forest inside your home. Freshens greens, blues and yellows.

**BLUE:**

## Red Cross Workers to Be Honored

Mt. Diablo Chapter of the American Red Cross will honor its volunteer service workers at a Recognition Tea on Tuesday from 2:30 p.m. to 4:30, at the chapter home in Walnut Creek.

Heading the list of honored guests will be Mrs. James C. McGeehon Sr., who will receive her 40-year service pin.

An outstanding civic leader since her move to Walnut Creek in 1913, Mrs. McGeehon has worked with the local Red Cross group on numerous committees including Home Service, publicity and fund raising. She has served as chairman of the Production committee for many years.

A wide range of other community activities has included the Walnut Creek Women's Club, P.T.A., Daughters of the American Revolution and the Mt. Diablo Audubon Society.

From 1926 through 1940 she was the Walnut Creek Playground director.

In 1953 the local Soroptimist Club named Mrs. McGeehon "Woman of the Year."

Mrs. Julius Loeb is chairman in charge of arrangements for the annual event.

## Orinda Library Circulation Gain Tops in County

During 1956, the Orinda Branch Library showed the largest percentage of gain in book circulation over the previous year of any of the 31 branches and stations of the Contra Costa County Library system.

Some 70,392 books, 40 per cent more than in 1955, were borrowed for home reading by 2678 readers.

THIS FIGURE is the eighth largest number of books to be circulated by the 31 branches and stations.

In addition, Mrs. Sara Malinowsky and her staff answered 2499 reference questions, making the local library the seventh largest information center in the county library system.

Although there is shelving capacity for only 2142 books in the crowded room in the Community Church Building, county library records show that 7,362 books are currently checked out to the Orinda library.

DURING 1956, 2658 books, including 973 specially requested titles, were added, 1550 were withdrawn for repair and redistribution.

This rate of turnover is possible by rotation of the total county library book collection of some 200,000 volumes among the branch libraries, assuring readers at each library of new titles by book deliveries twice a week from headquarters in Martinez.

ANY BOOK available through county library resources, which include borrowing privileges from the California State Library in Sacramento, may be requested by any individual through the Orinda Branch.

Orinda library hours are 2 to 9 p.m. Monday through Friday; 10 a.m. to 2 p.m. Saturday.

## Stork Club ...

SMITH — David William, the new son of Dr. and Mrs. William R. Smith, 3222 Sharon Court, Lafayette, weighed in at 8 pounds 6 ounces at birth January 10 at Alta Bates Hospital, Clifford, 15 months old, is the Smiths' other son.

## Family Garage Is Death Trap For Children

"Your garage may be a storeroom for death!"

Since winter weather brings children in and around the garage, this warning was issued yesterday by Dr. W. A. Ketterer, assistant county health officer.

He said that the average family uses its garage as a storeroom and catch-all for a variety of child killers including poisonous insecticides, painting materials, kerosene and gasoline, sharp garden implements, dangerous tools and old trunks and boxes.

He added that during winter months the average garage is an open invitation to disaster for curious young children, pointing out that countless youngsters are killed and crippled each year by accidents which occur in the family garage.

"Poisons, such as ant paste, bug spray and turpentine should be stored on high shelves or in locked cabinets," he continued.

"If children do eat or drink such materials, see your physician immediately to prevent complications and even death. Bring the container with you to the doctor."

Ketterer suggested providing a special closet for sharp garden implements, such as saws, rakes, hoes, trowels and spades. Electric switches controlling lathes, drills and other power tools should be padlocked.

He pointed out the danger of leaving chests and trunks where children may climb into them and be suffocated.

## Four Assistant Planners Hired By Contra Costa

Four new assistant planners have been hired by the County Planning Department. Director Thomas G. Heaton announced this week.

George Reed, 38, of Arizona was previously employed by the Phoenix City Planning Commission as a Planning Analyst.

He is a graduate of Arizona State College, and received additional credits from the University of Colorado.

JAMES HALEY, 23, came from the Tennessee State Planning Commission in Jackson, Tenn.

Haley is a graduate of the University of Texas and has had other study at Austin College in Texas. He has been working in the field of research and analysis for one year.

Arnon Benjamin, 24, formerly of New York has been serving with the New York Board of Adjustments for the past two years.

Benjamin received his training from New York University and Columbia University, with additional credits received from Pratt Institute. He is now completing his masters thesis in City Planning for New York University.

NORMAN HALVERSON, 32, who will arrive at the end of February, attended the University of Wisconsin when he acquired a Bachelor's Degree in Landscape Architecture.

He has been working as a Land Planner for the Milwaukee County Planning Commission, specifically in subdivision, zoning and Board of Adjustment matters.

Not only have these men excellent educational backgrounds, but they have more than the necessary experience as required by the Civil Service Department to meet the specific needs of Assistant Planners, said Heaton.

Reed and Haley have been assigned to work in the Advanced Planning Section under Edward Radosevich, associate planner.

Benjamin will work under Anthony DeJesus Jr. in the Zoning Section.

HALVERSON, upon his arrival, will be assigned to the Subdivision Section, under Richard Coleman, associate planner.

The apparent caravan of planners arriving at this time was a result of cooperative efforts by the Planning and Civil Service Departments, said Heaton.

He added that during this recruitment program Los Angeles County not only ran large scale advertisements for the same type of personnel in the New York City papers, but had a full time man there recruiting, interviewing and accepting applications.

Against this type of competition these new additions to the Planning Staff have been recruited for the benefit of Contra Costa County, he said.

## New Classes Begin at Adult Center

There are several new classes to be offered by the Acalanes Adult Center as a part of its new winter schedule.

Included are the following: Art, includes basic and advanced instruction in sketch, water colors and oils, along with lectures on the history of art; Art Metal, employing the use of copper, silver, aluminum, to create originally designed trays, ash trays, ornamental wall plaques; Jewelry, use of silver, copper, plastics, enameling techniques in making personal jewelry; Leathercraft, leather carving, tooling and embossing to produce all types of leather articles.

ALL OF THESE will be offered for the first time at the new Miramonte High School in the Orinda area on Thursday evenings starting at 7:30 in Room A-3. Tebaldo is Miramonte Art and Craft's instructor.

Also to be offered at Miramonte will be a class in Spanish Conversation for beginning and advanced students under the direction of Mrs. Zeraida Schmidt, a native of South America.

This class will be held on Wednesday evenings starting at 7:30 in Room J-1.

OTHER language classes being offered for the first time include Conversational German wherein emphasis will be placed on learning the language for travel, music and research, instructed by Gottfried Hesse, a native of Germany; Conversational French, designed to give basic training in grammar and vocabulary with special stress on proper pronunciation by Mrs. France Achener, a native of France. Both of these classes begin at 7:30 on Thursday evening at Acalanes.

Feeds for Special Occasions will be taught by Marjorie Heid, former TV star of her own food show, will present quick and easy to prepare foods for barbecues, informal suppers and snacks, brunches, open house and holiday fare and will be offered on Tuesday evenings starting at 7 o'clock at Acalanes.

Lapidary, taught by Bob Stevens of the Acalanes Industrial Arts Division, is an introduction to the art of rock and gem cutting and polishing to be offered on Tuesday evenings at Acalanes beginning at 7 p.m.

Added sections of classes already being offered have been scheduled.

## RAINY WEATHER DANGEROUS

A wet, rainy night is the most dangerous time there is for pedestrians. If you're walking, look out for vehicles and don't assume that the driver can see you.

If you're driving, make sure your windshield wipers are working properly and keep a sharp look out for persons afoot.

## Terms Expiring For School Board Members in Area

Terms of 46 school board members — among them one on the County Board of Education and two on the governing board of Contra Costa Junior College — will expire this spring.

County Superintendent B. O. Wilson, whose office will conduct the annual election of school board members on May 17, said the terms of George Johnson of Crockett, county board member.

Elton Brombacher of El Cerrito, Junior College Ward 1, and O. J. Wohlgenuth of Walnut Creek, Ward IV, are expiring.

IN THE CENTRAL county terms are ending for Edward Thomas of the Alamo District, Mrs. Elizabeth Freeman of the Lafayette District; Arnold Bjork and John Lavinder, Mt. Diablo Unified; Allen Crawford, Canyon.

Also John A. Sanders, Moraga; Nathan Gray, Orinda Union; Howard Wiedemann, San Ramon; DeWitt W. Krueger, Walnut Creek; Mrs. Alice McBride, Acalanes; Dr. Jack Shahbazian and Thomas Williams of San Ramon Valley Union High.

Johnson is the first member of the new county board to have his term expire.

The board of citizen members was inaugurated under the new state law last year to replace the traditional board of professional educators.

Johnson, retired superintendent of Carquinez Elementary School District, represents Area 3, but the office is voted upon county-wide.

JUNIOR COLLEGE board voting is by wards.

The board membership held by Brombacher will be filled by voters in parts of Richmond and El Cerrito.

Wohlgenuth's post will be voted upon by residents in the remaining portion of El Cerrito and eastward to Orinda, Lafayette, Walnut Creek and San Ramon Valley.

Candidates for school board posts may file with Superintendent Wilson until April 17.

## Orinda Nursery Delegates Will Attend Conclave

Among the delegates to be present at the Association for Nursery Education Conference at Asilomar, Pacific Grove, February 1 through 3, will be Mrs. William A. Patterson, director of Orinda Co-operative Nursery School.

She will be accompanied by her staff of teachers, Mesdames R. H. Laney, Henry Harris, Peter Veitch and H. H. Fitzsimmons.

"And a Child's Name is All Children" will be the title of a panel discussion which promises to be one of the highlights of the conference.

Leaders from the various disciplines will discuss the basic needs of children everywhere as they are related to fears and tensions in our modern world.

Study sections will be led by representatives and leaders from other countries and will include such topics as "Nursery Education in Other Lands," "Children of Minority Groups," "The New Westward Movement" and "Child Development in Family Life in America."

Tours of various types of nursery schools will also be on the three-day agenda.

## Firearm Warning Given by Sheriff

A warning was issued to parents this week by the Contra Costa Sheriff's office concerning the use of any type of firearms by children in this county.

The law states that no child under the age of 16 will be permitted to use a firearm, BB gun or pellet gun unless an adult is present.

Supervisor Ray Taylor and Dave Rockwell related to the Pleasant Hill Chamber of Commerce how they barely escaped injury when a bullet was fired over their heads by a teenage youth in Pleasant Hill.

The Sheriff's office stated that firearms should be treated with extreme caution and should not be fired in Contra Costa County with in 150 yards of any building.

Warnings on packages of .22 caliber shells state that the bullets are fatal up to 1 1/2 miles. Higher caliber missiles are lethal at greater ranges.

Shopping at home means savings in time and money. And by supporting local merchants you are making this a better community to live in.

## Funds to Bring Miramonte Two AFS Foreign Students

Funds for two foreign students to attend Miramonte High School next year were secured in a house-to-house canvass of the Orinda area last Saturday by students of Miramonte under the sponsorship of the American Field Service Committee.

Sixteen teams of Miramonte students collected over \$1000 in a one-day solicitation of "Change for Exchange" students from Orinda, Moraga and Canyon residents.

The money will be used by the American Field Service Committee of Orinda to bring two foreign students to Miramonte next year as junior students. The cost of bringing one student to the United States is \$650.

CONTRIBUTORS from the Orinda Rotary Club, Orinda Lions Club, Orinda Junior Women's Club and the Miramonte Parents Club and several individuals have been given to the American Field Service Committee to swell the fund.

Any individual or club may still contribute to the drive. Such money will be put into a fund to send a Miramonte student abroad next year under the exchange program. Mrs. T. D. Sanford is chairman of the Orinda committee, and will accept all contributions.

Winners of a recent poster contest at Miramonte for the drive were named yesterday by Mrs. Sanford. First place winner is Caroline Gallatin; second place, Bob Connolly; third place, Don Cook; honorable mention, Michele Angelo.

STUDENT CAPTAINS of the house-to-house collection were Bill Houston, Louise Ciancarulo, Betty DeFranco, Judy Ageno, Linda Lanciane, Mike Cain, Tim Maloney, Floyd Blaney, Randy Young, Marsha MacQuiddy, Pam Trefts, Milton Howe, Doug Moorehead, John Coffey, George Kimball and Dave Puddy.

Members of the American Field Service Committee that assisted the students with their drive included Messrs. and Mesdames T. D. Sanford, Sig Greenings, Tom Marshall, Marshall Shapero, Louis Ambler, Fred Foukes, Paul Pollaczek, Andor Polgar and A. Roegiers.

## Money, Interest Rates ... And New Appliances

By BILL HAYWARD

### FREE ENTERPRISE AND NEW BUSINESS ...

Busy Savings and Loan Manager Lloyd King of Berkeley Savings & Loan Association at Walnut Creek tendered his resignation to that firm recently.

Lloyd plans to open his very own "MONEYTREE" as a mortgage lender in the handsome new office building located at the corner of Bonanza and Putnam in the first black west of Locust Street only a stones throw from his former desk. Welcome and "hats off" to another new individual Walnut Creek pioneer.

It is still hoped that Veteran home loans, which are now few and far between on account of the 4 1/2 per cent interest rate, will become more plentiful in the period ahead. Congress will be asked to consider increasing the maximum interest rate to 5 per cent.

This will ease the finance picture for many veterans still wishing to buy homes. Write to your Congressman and voice your opinion. As it is now the loan charges are up to 8 per cent of the amount of the VA loan ... this of course is paid by the seller but actually is reflected in the actual selling price.

### THE NEW LOOK IN HOMES ...

Will include all or some of the following: Built-in oven and range ... dishwashers and garbage disposals ... kitchen exhaust fans ... table top vanity wash basins ... low-voltage wiring systems that permit touch plate lighting ... home intercom systems ... built in Hi-Fi ... built-in refrigerators and freezers ... range hoods ... automatic garage door openers ... family rooms or game rooms.

Today's merchandising magic replaces window seats, phone niches, window boxes and front porch trellises.

What's your pleasure?

## Spring Session for Night Students Begins Feb. 4

The spring session of semester-length night classes for part-time students will begin at East Contra Costa Junior College the week of February 4. Registration will be on the preceding Saturday from 9 a.m. to 3 p.m.

More than 55 college-level courses will be available in the fields of general education, business, technical, home and family life, occupational, industrial education, and supervisory training.

Almost all classes will meet once a week from 7 to 9:40 p.m. and are open to adults who are 18 years of age or over and can benefit from the instruction. There is no tuition.

Business courses will include two in the principles of accounting (186 and 187).

AMONG THE general education courses will be the following:

Anthropology, biological science (nature study and conservation), natural science (biological), survey of general chemistry, general college physics, general geology.

Analytical geometry and calculus, descriptive geometry, college arithmetic, elementary and intermediate algebra, plane geometry, plane and spherical trigonometry.

Two courses in skills of communication, fundamentals of speech, reading development, a Great Books course, Ideas in Contemporary Society (English 160).

CALIFORNIA and the Pacific Coast (History 124), History of the United States, political institutions (120 and 121), principles of economics.

General course in Humanities, history and literature of music, basic and advanced design (Art 121 and 225), introduction to music literature, introduction to philosophy, introduction to sociology, study of the adolescent, applied psychology of personality,

## Miramonte High Seating Plans Near Completion

Acalanes High School District trustees last week authorized three projects for Miramonte High School in Orinda.

Superintendent Neil M. Parsons was directed to work out plans to have 2000 bleachers erected on the west side of the Miramonte athletic field and 600 bleacher seats added to the Miramonte gym to bring gym seating capacity to 1200.

Improvements were ordered for the service road on the Miramonte campus, and the District architect was authorized to determine the cost of equipping the gym stage. Bids were also called for a new tractor and mower for District turfs.

In other District matters trustees approved a low bid county gasoline contract for 1957 and the employment of three teachers for the second school semester replacing personnel who are leaving.

Teachers leaving and their replacements are Mrs. Jean Grazier, physical education instructor at Acalanes, to be replaced by Mrs. Joan Brady; Mrs. Patricia Castellucci, physical education instructor at Las Lomas, replaced by Miss Shirley McPheeters; and Mrs. Helen Nielson, Miramonte home economics instructor, replaced by Miss Daisy Daymond.

Board members adopted a policy of giving three weeks vacation per year instead of two weeks, to classified employees with ten years or more employment with the District; ruled that personnel on regular leave must inform the District not later than April 1 whether or not they are returning to their District position the next year; decided that no regular leaves will be granted during the school year unless a satisfactory replacement can be obtained.

## Lafayette Man Is Vice President, Bay Area Crusade

Duncan Kundsens of Lafayette was elected a vice president of the five-county United Bay Area Crusade at a recent meeting in San Francisco.

He is president of the Contra Costa County United Fund, the big organization's affiliate in this area.

MEMBERS on the board of governors from the central county include James Dent and Henry V. Worthington, Concord; E. C. Counter, Robert Foley, Charles D. Gayze, Walnut Creek; George Kelty, Willard B. Knowles, Bruno Stolley, Steven H. Welch, Jr., Martinez; Knudsen, Lafayette.

At the second annual meeting of the Bay-wide Crusade Samuel B. Stewart of San Francisco was elected to a second term as president, and Frederic B. Whitman of San Francisco was chosen to serve again as chairman of the Board of Governors.

Mrs. Thomas J. Mellon, of Marin was picked as secretary; S. Clark Beise, San Francisco, was re-elected treasurer; and 12 vice presidents were selected.

In the meeting's main address James A. Linen, publisher of Time Magazine, urged that there should be community social welfare planning councils wherever there are united fund-raising organizations.

Coordinated community research and welfare planning to meet constantly changing social welfare needs are perhaps even more important than imaginative fund-raising," Linen said. He is volunteer president of United Community Funds and Councils of America.

In a message directed to agencies which depend on the five-county Crusade, Board Chairman Whitman predicted that UBAC will raise more than \$12,000,000 by 1959.

The recent 1956 campaign produced \$10,150,000, which was \$1,350,000 more than what the separate Crusades in five counties raised in the year before UBAC's formation, Whitman said.

The rabbi will speak on "Man's Eternal Home."

## Jewish Services

Guest Rabbi Joseph Gumbiner, director of the Hillel Foundation at the University of California, will conduct special services to-night at 8:30 at Lafayette's Contra Costa Jewish Community Center.

The rabbi will speak on "Man's Eternal Home."

The One Shabbat will be sponsored by Orindans Mr. and Mrs. Albert Baer and Mr. and Mrs. Irving Leiber in honor of the naming of their new-born child.

The center's choir will participate in the service.

Preparations for the service have been made by the Religious Committee, headed by Chairman San Golden. The public is invited.
